The Councils published a proposed rule in the Federal Register at 74 FR 39507 on August 7, 2009. The Councils received no public comments. Therefore, the Councils are adding “Yeast, active dry and instant active dry,” and “Pineapple, canned,” to the list of nonavailable articles at 25.104(a). The list is further corrected to read “Modacrylic fiber” in lieu of “Modacrylic fur ruff”, as explained in the proposed rule.

In addition, as required by FAR 25.104(b), the entire list of nonavailable articles was published for public comment. Because no public comments were received, there will be no further changes to the list at this time.

This is not a significant regulatory action and, therefore, was not subject to review under section 6 of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, et seq., because the Councils have not identified any specific small businesses that can fulfill the Government’s requirements for the added items.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. chapter 35, et seq.

Therefore, DoD, GSA, and NASA amend 48 CFR part 25 as set forth below:

PART 25—FOREIGN ACQUISITION

1. The authority citation for 48 CFR part 25 continues to read as follows:

Authority: 40 U.S.C. 121(c); 10 U.S.C. chapter 137; and 42 U.S.C. 2473(c).

25.104 [Amended]

2. Amend section 25.104 in paragraph (a) by removing the article “Modacrylic fur ruff,” and adding “Modacrylic fiber,” in its place; and adding, in alphabetical order, the articles “Pineapple, canned,” and “Yeast, active dry and instant active dry.”.

B. Regulatory Flexibility Act

The Councils do not expect this interim rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, et seq., because contracts and subcontracts with small businesses are exempt from the application of the Cost Accounting Standards. Therefore, an Initial Regulatory Flexibility Analysis has not been performed. The Councils invite comments from small business concerns and other interested parties on the expected impact of this rule on small entities.

The Councils will also consider comments from small entities concerning the existing regulations in parts affected by this rule in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 610 (FAC 2005–42, FAR Case 2009–025) in all correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. chapter 35, et seq.

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense, the Administrator of General Services, and the Administrator of the National Aeronautics and Space Administration that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary because this rule implements a final rule promulgated by the CAS Board which went into effect on April 25, 2008. Further, the CAS Board rule already went through the public rulemaking process. However, pursuant to Public Law 98–577 and FAR 1.501–3(b), the Councils will consider public comments received in response to this interim rule in the formation of the final rule.

SUPPLEMENTARY INFORMATION:

A. Background

The CAS Board published a final rule in the Federal Register at 73 FR 23961 on May 1, 2008, to amend CAS, “Cost Accounting Standard for composition and measurement of pension cost,” and CAS 415, “Accounting for the cost of deferred compensation.” The CAS Board specified that the accounting of Employee Stock Ownership Plan (ESOP) costs, regardless of type, would be covered by the provisions of CAS 415 only and not by CAS 412. The CAS Board also provided criteria in CAS 415 for measuring ESOP costs and assigning these costs to cost accounting periods.
