VI. Award Administration Information

1. **Award Notices:** If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. **Administrative and National Policy Requirements:** We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. **Reporting:** At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. **Performance Measures:** Under the Government Performance and Results Act of 1993 (GPRA), the Department has established three performance measures for the Vocational Rehabilitation Services Projects for American Indians with Disabilities program. The measures are (1) The percentage of individuals who leave the program with an employment outcome, (2) the percentage of projects that demonstrate an average annual cost per employment outcome of no more than \$35,000, and (3) the percentage of projects that demonstrate an average annual cost per participant of no more than \$10,000. Each grantee must annually report its performance on these measures through the Annual Progress Reporting Form (APR Form) for the American Indian Vocational Rehabilitation Services (AIVRS) program.

Job Training and Employment Common Measures. In addition, this program is part of the job training and employment common measures initiative. The common measures for job training and employment programs

targeting adults are (1) Entered employment (percentage employed in the first quarter after program exit); (2) retention in employment (percentage of those employed in the first quarter after exit that were still employed in the second and third quarters after program exit); (3) average weekly earnings (average earnings of those participants who are employed in the first, second, and third quarters after the exit quarter); and (4) the annual cost per participant.

The AIVRS Annual Progress Reporting Form was revised in 2008 to collect data needed to assess the Vocational Rehabilitation Services Projects for American Indians with Disabilities program's performance on supplemental measures that are comparable to the job training and employment common measures. Each grantee will be required to collect and report data for these supplemental measures as part of the annual performance report requirement, including information on: (1) The number of individuals whose case record has not been closed, but have not received project services for 90 consecutive calendar days, (2) the number of eligible individuals who were employed three months after achieving an employment outcome, (3) the number of eligible individuals who were employed six months after achieving an employment outcome, (4) the average weekly earnings at entry, and (5) the average weekly earnings of the individuals whose employment outcomes resulted in earnings.

Note: For purposes of this section VI. 4., the term "employment outcome" has the meaning provided in 34 CFR 369.4.
