[DOT Docket No. DOT-OST-2010-0074]

The Future of Aviation Advisory Committee (FAAC) Subcommittee on Competitiveness and Viability; Notice of Meeting

AGENCY: U.S. Department of Transportation, Office of the Secretary of Transportation.

ACTION: Notice of meeting.

SUMMARY: The Department of Transportation (DOT), Office of the Secretary of Transportation, announces a meeting of the FAAC Subcommittee on Competitiveness and Viability, which will be held in Washington, DC on June 30, 2010. This notice provides details on the date, time, and location of the meeting, which will be open to the public. The purpose of the FAAC is to provide advice and recommendations to the Secretary of Transportation to ensure the competitiveness of the U.S. aviation industry and its capability to manage effectively the evolving transportation needs, challenges, and opportunities of the global economy. The Subcommittee on Competitiveness and Viability is charged with examining changes in the operating and competitive structures of the U.S. airline industry; considering innovative strategies to open up new international markets and expand commercial opportunities in existing markets; investigating strategies to encourage the development of cost-effective, cutting-edge technologies and equipment that are critical for a competitive industry coping with increasing economic and environmental challenges; and examining the adequacy of current Federal programs to address the availability of intermodal transportation options and alternatives, small and rural community access to the aviation transportation system, the role of State and local governments in contributing to such access, and how the changing competitive structure of the U.S. airline industry is likely to transform travel habits of small and rural communities.

DATES: The meeting will be held on June 30, 2010 from 1 p.m. to 4 p.m.

ADDRESSES: The meeting will be held on the 12th floor of the Covington and Burling LLC Conference Center, 1201 Pennsylvania Ave., NW., Washington, DC 20004.

Public Access: The meeting is open to the public. (See below for registration instructions.)

Public Comments: Persons wishing to offer written comments and suggestions concerning the activities of the advisory committee or competition subcommittee should file comments in the Public Docket (Docket Number DOT-OST-2010-0074 at <http://www.Regulations.Gov>) or alternatively through e-mail at FAAC@dot.gov. If comments and suggestions are intended specifically for the Competition and Viability Subcommittee, the term "Competition" should be listed in the subject line of the message. In order to ensure that such comments can be considered by the Subcommittee before its June 30, 2010 meeting, public comments must be filed by 5 p.m. EDT on Monday, June 21, 2010.

SUPPLEMENTARY INFORMATION:

Agenda

Under section 10(a)(2) of the Federal Advisory Committee Act (5 U.S.C. App. 2), we are giving notice of a meeting of the Subcommittee on Competitiveness and Viability of the Future of Aviation Advisory Committee taking place on June 30, 2010 at 1 p.m., at 1201 Pennsylvania Ave., NW., Washington, DC 20004. The agenda includes—

1. Discussion of topics offered by subcommittee members for referral to the full Committee on the subject of competitiveness and viability of the aviation industry,
2. Establishment of a plan and timeline for further work, and
3. Identification of priority issues for the second subcommittee meeting.

Registration

The meeting room can accommodate up to 25 members of the public. Persons desiring to attend must pre-register through e-mail to FAAC@dot.gov. The term "Registration: Competition" should be listed in the subject line of the message and admission will be limited to the first 25 persons to pre-register and receive a confirmation of their pre-registration. No arrangements are being made for audio or video transmission or for oral statements or questions from the public at the meeting. Minutes of the meeting will be taken and will be made available to the public.

Request for Special Accommodation

The DOT is committed to providing equal access to this meeting for all

participants. If you need alternative formats or services because of a disability, please send a request to FAAC@dot.gov with the term "Special Accommodations" listed in the subject line of the message by close of business on June 21, 2010.

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

Petition for Waiver of Compliance

In accordance with part 211 of Title 49 Code of Federal Regulations (CFR), notice is hereby given that the Federal Railroad Administration (FRA) received a request for a waiver of compliance with certain requirements of its safety standards. The individual petition is described below, including the party seeking relief, the regulatory provisions involved, the nature of the relief being requested, and the petitioner's arguments in favor of relief.

New Jersey Transit Rail

[Waiver Petition Docket Number FRA-2010-0099]

The New Jersey Transit Rail (NJTR) seeks a waiver of compliance with the Locomotive Safety Standards, 49 CFR 229.129(b)(2), which requires that the sound level of horns of locomotives manufactured before September 18, 2006, be tested before June 24, 2010. NJTR operates approximately 700 pieces of equipment (locomotives) with train horns that were manufactured before the September 18, 2006, date. NJTR states in their request the site requirements required by the horn test regulation and community noise complaints has caused NJTR to perform all horn testing at their Meadows Maintenance Facility in Kearny, NJ. NJTR requests that the requirements to complete testing of horns on locomotives built prior to September 18, 2006, be extended to June 24, 2012.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number (e.g., Waiver
