

amended by the Secretary of State or the Secretary's delegate.

*Article 9.* (1) The permittee shall acquire such right-of-way grants, easements, permits and other authorizations as may become necessary and appropriate.

(2) The permittee shall save harmless the United States from any claimed or adjudged liability arising out of the construction, completion or maintenance of the facilities.

(3) The permittee shall maintain the United States facilities and every part thereof in a condition of good repair for their safe operation.

*Article 10.* The permittee shall provide to the General Services Administration (GSA), at no cost to the Federal government, a site that is adequate and acceptable to GSA on which to construct border station facilities at the United States terminal of the bridge. The permittee shall fully comply with all National Environmental Policy Act and National Historic Preservation Act mitigation provisions and stipulations for transfer of the site to the General Services Administration.

*Article 11.* The permittee shall take all appropriate measures to prevent or mitigate adverse environmental impacts or disruption of significant archeological resources in connection with the construction, operation and maintenance of the United States facilities. The permittee shall submit to the USIBWC the plans approved by the Texas Water Commission for sewage collection and treatment facilities, and their discharge limitations, along with any plans approved by the Texas Water Commission regarding water rights for water diversion facilities in the Rio Grande.

*Article 12.* The permittee shall submit to the U.S. Commissioner, IBWC, for review by the USIBWC the conceptual and final levee relocation plan that forms a part of the international bridge proposal. Permittee shall comply with any appropriate changes required by the USIBWC and also arrange for transfers of lands, rights-of-way and other works proposed as part of the new bridge construction and levee relocation plan.

*Article 13.* The permittee shall comply with all agreed actions and obligations undertaken to be performed by it in the Supplemental Environmental Assessment dated June 4, 1993, including but not limited to the mitigation Plan attached thereto as Appendix A, as supplemented by the Environmental Assessment dated October 2009 and the Finding of No Significant Impact dated January 10, 2010. Construction of the United States facilities shall be performed in

substantial conformity with Alternatives A or C described in the Supplemental Environmental Assessment dated June 4, 1993, as supplemented by the Environmental Assessment dated October 2009 and the Finding of No Significant Impact dated January 10, 2010.

*Article 14.* The permittee shall file with the appropriate agencies of the Government of the United States such statements or reports under oath with respect to the United States facilities, and/or permittee's actions in connection therewith, as are now or may hereafter be required under any laws or regulations of the Government of the United States or its agencies.

*Article 15.* The permittee shall send notice to the Department of State at such time as the construction authorized by this permit is begun, and again at such time as construction is completed, interrupted, or discontinued.

*In witness thereof,* I, Robert D. Hormats, Under Secretary of State for Economic, Energy, and Agricultural Affairs, have hereunto set my hand this 1st day of June, 2010, in the City of Washington, District of Columbia.

This permit supersedes the permit signed on October 7, 1993 by Under Secretary of State Joan E. Spero.

End Permit text.

## DEPARTMENT OF STATE

[Public Notice: 7049]

### **Advisory Committee for the Study of Eastern Europe and the Independent States of the Former Soviet Union (TITLE VIII)**

The Advisory Committee for the Study of Eastern Europe and the Independent States of the Former Soviet Union (Title VIII) will convene on Thursday, July 8, 2010 beginning at 9:30 a.m. in Room 1406 of the U.S. Department of State, Harry S Truman Building, 2201 C Street, NW., Washington, DC, and lasting until approximately 10:30 a.m.

The Advisory Committee will recommend grant recipients for the FY 2010 competition of the Program for the Study of Eastern Europe and the Independent States of the Former Soviet Union in accordance with the Research and Training for Eastern Europe and the Independent States of the Former Soviet

Union Act of 1983, Public Law 98-164, as amended. The agenda will include opening statements by the Chair and members of the committee, and, within the committee, discussion, approval and recommendation that the Department of State negotiate grant agreements with certain "national organizations with an interest and expertise in conducting research and training concerning the countries of Eastern Europe and the Independent States of the Former Soviet Union," based on the guidelines contained in the call for applications published in Grants.gov on February 18, 2010. Following committee deliberation, interested members of the public may make oral statements concerning the Title VIII program in general.

This meeting will be open to the public; however attendance will be limited to the seating available. Entry into the Harry S Truman building is controlled and must be arranged in advance of the meeting. Those planning to attend should notify the Title VIII Program Office at the U.S. Department of State on (202) 736-4661 by Thursday, July 1, providing the following information: Full Name, Date of Birth, Driver's License Number and Issuing State, Country of Citizenship, and any requirements for special accommodation. All attendees must use the 2201 C Street entrance and must arrive no later than 9 a.m. to pass through security before entering the building. Visitors who arrive without prior notification and without photo identification will not be admitted.

The identifying data from the public is requested pursuant to Public Law 99-399 (Omnibus Diplomatic Security and Antiterrorism Act of 1986), as amended; Public Law 107-56 (USA PATRIOT Act); and Executive Order 13356. The purpose of the collection is to validate the identity of individuals who enter Department facilities. The data will be entered into the Visitor Access Control System (VACS-D) database. Please see the Privacy Impact Assessment for VACS-D at <http://www.state.gov/documents/organization/100305.pdf> for additional information.

Dated: June 4, 2010.
