

notice of proposed priorities, requirements, and definitions. After review, we determined that, although grantees may anticipate costs in developing infrastructure partnerships, supporting integrated, comprehensive programming and policies, and building data and accountability systems and processes, the benefits of the priorities, requirements, and definitions justify the costs.

Regulatory Flexibility Act Certification

The Secretary certifies that this regulatory action will not have a significant economic impact on a substantial number of small entities. The small entities that this proposed regulatory action will affect are small LEAs or nonprofit organizations applying for and receiving funds under this program. The Secretary believes that the costs imposed on applicants by the priorities, requirements, and definitions would be limited to paperwork burden related to preparing an application and that the benefits of implementing these proposals would outweigh any costs incurred by applicants.

Participation in this program is voluntary. For this reason, the priorities, requirements, and definitions would impose no burden on small entities in general. Eligible applicants will determine whether to apply for funds, and have the opportunity to weigh the requirements for preparing applications, and any associated costs, against the likelihood of receiving funding and the requirements for implementing projects under the program. Eligible applicants most likely would apply only if they determine that the likely benefits exceed the costs of preparing an application. The likely benefits include the potential receipt of a grant as well as other benefits that may accrue to an entity through its development of an application, such as the use of that application to spur improvement in physical education planning without additional Federal funding.

The U.S. Small Business Administration Size Standards defines as "small entities" for-profit or nonprofit institutions with total annual revenue below \$7,000,000 or, if they are institutions controlled by small governmental jurisdictions (that are comprised of cities, counties, towns, townships, villages, school districts, or special districts), with a population of less than 50,000. The Urban Institute's National Center for Charitable Statistics reported that of 203,635 nonprofit organizations that had an educational mission and reported revenue to the IRS by July 2009, 200,342 (or about 98

percent) had revenues of less than \$5 million. In addition, there are 12,484 LEAs in the country that meet the definition of small entity. However, given program history, the Secretary believes that only a small number of these entities would be interested in applying for funds under this program, thus reducing the likelihood that this final regulatory action would have a significant economic impact on small entities.

Further, the action may help small entities determine whether they have the interest, need, or capacity to implement activities under the program and, thus, prevent small entities that do not have such an interest, need, and capacity from absorbing the burden of applying.

This regulatory action would not have a significant economic impact on small entities once they receive a grant because they would be able to meet the costs of compliance using the funds provided under this program and with any funds they might obtain from external parties to fulfill the matching requirements of the program.

Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. One of the objectives of the Executive Order is to foster an intergovernmental partnership and a strengthened federalism. The Executive Order relies on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.

This document provides early notification of our specific plans and actions for this program.

Accessible Format: Individuals with disabilities can obtain this document in an accessible format (e.g., braille, large print, audiotape, or computer diskette) on request to the program contact person listed under **FOR FURTHER INFORMATION CONTACT**.

Electronic Access to This Document: You can view this document, as well as all other documents of this Department published in the **Federal Register**, in text or Adobe Portable Document Format (PDF) on the Internet at the following site: <http://www.ed.gov/news/fedregister>. To use PDF you must have Adobe Acrobat Reader, which is available free at this site.

Note: The official version of this document is the document published in the **Federal Register**. Free Internet access to the official edition of the **Federal Register** and the Code of Federal Regulations is available on GPO Access at: <http://www.gpoaccess.gov/nara/index.html>.

Dated: June 14, 2010.

Kevin Jennings,

Assistant Deputy Secretary for Safe and Drug-Free Schools.

[FR Doc. 2010-14730 Filed 6-15-10; 4:15 pm]

BILLING CODE 4000-01-P

DEPARTMENT OF EDUCATION

Office of Safe and Drug-Free Schools; Overview Information; Carol M. White Physical Education Program; Notice Inviting Applications for New Awards for Fiscal Year (FY) 2010

Catalog of Federal Domestic Assistance (CFDA) Number: 84.215F.

Dates:

Applications Available: June 18, 2010.

Deadline for Transmittal of

Applications: July 19, 2010.

Deadline for Intergovernmental

Review: September 16, 2010.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Carol M. White Physical Education Program (PEP) provides grants to local educational agencies (LEAs) and community-based organizations (CBOs) to initiate, expand, and improve physical education for students in grades K-12. Grant recipients must implement programs that help students make progress toward meeting State standards.

Priorities: These priorities are from the notice of final priorities, requirements, and definitions for this program, published elsewhere in this issue of the **Federal Register**.

Absolute Priority:

For FY 2010 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

The priority is:

Under this priority, an applicant is required to develop, expand, or improve its physical education program and address its State's physical education standards by undertaking the following activities: (1) instruction in healthy eating habits and good nutrition and (2) physical fitness activities that must include at least one of the following: (a) Fitness education and assessment to help students understand, improve, or maintain their physical well-being; (b) instruction in a variety of motor skills and physical activities designed to enhance the physical, mental, and social or emotional development of every student; (c) development of, and

instruction in, cognitive concepts about motor skills and physical fitness that support a lifelong healthy lifestyle; (d) opportunities to develop positive social and cooperative skills through physical activity participation; or (e) opportunities for professional development for teachers of physical education to stay abreast of the latest research, issues, and trends in the field of physical education.

Within this absolute priority, we are particularly interested in applications that address the following invitational priority.

Invitational Priority: Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

Projects that propose to align their programs with the goals and principles of the U.S. Department of Agriculture's (USDA) HealthierUS School Challenge (HUSSC) initiative.

Background. The USDA's HUSSC initiative was established in 2004 to recognize those schools participating in the National School Lunch Program that have created healthier school environments through promotion of nutrition and physical activity. Schools can apply for recognition at four levels of performance, Bronze, Silver, Gold, and Gold of Distinction. To qualify for an award, a school must submit a formal application to the USDA's Food and Nutrition Service and demonstrate that they meet basic criteria set forth by USDA. These criteria reflect the recommendations of the 2005 Dietary Guidelines for Americans and the Institute of Medicine's published recommendations for foods that should be served in schools, outside of the organized school lunch meals. HealthierUS Schools must also have a local school wellness policy as mandated by Congress. We believe that the intent of the HUSSC initiative complements the priorities and requirements in this notice, as well as helps schools meet the goals established by First Lady Michelle Obama's Let's Move! initiative focused on improving school food. Additional information about the HUSSC initiative is available at the USDA's Web site at: <http://www.fns.usda.gov/tn/healthierus/index.html>.

Competitive Preference Priorities:

There are two competitive preference priorities for this competition. For FY 2010 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are competitive preference priorities. Under

34 CFR 75.105(c)(2)(ii) we will award up to an additional 5 points to an application that meets these priorities.

Competitive Preference Priority 1—Collection of Body Mass Index (BMI) Measurement

Under 34 CFR 75.105(c)(2)(i), we will award an additional 2 points to an application that meets this priority.

This priority is:

We will give a competitive preference priority to applicants that agree to implement aggregate BMI data collection, and use it as part of a comprehensive assessment of health and fitness for the purposes of monitoring the weight status of their student population across time.

Applicants are required to sign a Program-Specific Assurance that will commit them to:

(a) Use the Centers for Disease Control and Prevention's (CDC) BMI-for-age growth charts to interpret BMI results (<http://www.cdc.gov/growthcharts>);

(b) Create a plan to develop and implement a protocol that will include parents in the development of their BMI assessment and data collection policies, including a mechanism to allow parents to provide feedback on the policy. Applicants are required to detail the following required components in their aggregate BMI data collection protocol: the proposed method for measuring BMI, who will perform the BMI assessment (*i.e.*, staff members trained to obtain accurate and reliable height and weight measurements), the frequency of reporting, the planned equipment to be used, methods for calculating the planned sampling frame (if the applicant would use sampling), the policies used to ensure student privacy during measurement, how the data will be secured to protect student confidentiality, who will have access to the data, how long the data will be kept, and what will happen to the data after that time. Applicants that intend to inform parents of their student's weight status must include plans for notifying parents of that status, and must include their plan for ensuring that resources are available for safe and effective follow-up with trained medical care providers;

(c) Create a plan to notify parents of the BMI assessment and to allow parents to opt out of the BMI assessment and reasonable notification of their choice to opt out. Unless the BMI assessment is permitted or required by State law, LEA applicants are required to detail their policies for providing reasonable notice of the adoption or continued use of such policies directly to the parents of the students enrolled in the LEA's schools served by the

agency. At a minimum, the LEA must provide such notice at least annually, at the beginning of the school year and within a reasonable period of time after any substantive change in such policies, pursuant to the Protection of Pupil Rights Amendment, 20 U.S.C. 1232h(c)(2)(A); and

(d) De-identify the student information (such as by removing the student's name and any identifying information from the record and assigning a record code), aggregate the BMI data at the school or district level, and make the aggregate data publicly available and easily accessible to the public annually. Applicants must describe their plan for the level of reporting they plan to use, depending on the size of the population, such as at the district level or the school level. Applicants must also detail in their application their plan for how these data will be used in coordination with other required data for the program, such as fitness, physical activity, and nutritional intake measures, and how the combination of these measures will be used to improve physical education programming and policy.

On June 18, 1991, 17 Federal Departments and Agencies, including the Department of Education, adopted a common set of regulations known as the Federal Policy for the Protection of Human Subjects or "Common Rule." See 34 CFR part 97. Applicants that engage in BMI data collection may be subject to the Department's Protection of Human Subjects regulations if the data are used in research funded by the Federal government or for any future research conducted by an institution that has adopted the Federal policy for all research of that institution. The regulations define research as "a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities that meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program which is considered research for other purposes. For example, some demonstration and service programs may include research activities." 34 CFR 97.102(d). Information on Human Subjects requirements is found at: <http://www.ed.gov/about/offices/list/ocfo/humansub.html>.

Applications that do not provide a Program-Specific Assurance signed by an Authorized Representative committing the applicant to completing previously listed tasks (a) through (d) during their project period are not

eligible for additional points under competitive preference priority 1.

In implementing this priority, we encourage applicants to consult with their partners to determine if and how any of the partners could contribute to the data collection, reporting, or potential referral processes.

Competitive Preference Priority 2—Partnerships Between Applicants and Supporting Community Entities

Under 34 CFR 75.105(c)(2)(i), we will award an additional 3 points to an application that meets this priority.

This priority is:

We will give a competitive preference priority to an applicant that includes in its application an agreement that details the participation of required partners, as defined in this notice. The agreement must include a description of: (1) Each partner's roles and responsibilities in the project; (2) how each partner will contribute to the project, including any contribution to the local match; (3) an assurance that the application was developed after timely and meaningful consultation between the required parties, as defined in this notice; and (4) a commitment to work together to reach the desired goals and outcomes of the project. The partner agreement must be signed by the Authorized Representative of each of the required partners and by other partners as appropriate.

For an LEA applicant, this partnership agreement must include: (1) The LEA; (2) at least one CBO; (3) a local public health entity, as defined in this notice; (4) the LEA's food service or child nutrition director; and (5) the head of the local government, as defined in this notice.

For a CBO applicant, the partnership agreement must include: (1) The CBO; (2) a local public health entity, as defined in this notice; (3) a local organization supporting nutrition or healthy eating, as defined in this notice; (4) the head of the local government, as defined in this notice; and (5) the LEA from which the largest number of students expected to participate in the CBO's project attend. If the CBO applicant is a school, such as a parochial or other private school, the applicant must describe its school as part of the partnership agreement but is not required to provide an additional signature from an LEA or another school. A CBO applicant that is a school and serves its own population of students is required to include another CBO as part of its partnership and include the head of that CBO as a signatory on the partnership agreement.

Although partnerships with other parties are required for this priority, the

eligible applicant must retain the administrative and fiscal control of the project.

Requirements

The Assistant Deputy Secretary for Safe and Drug-Free Schools establishes the following requirements for this program. We may apply one or more of these requirements in any year in which this program is in effect.

Requirement 1—Align Project Goals With Identified Needs Using the School Health Index

Applicants must complete the physical activity and nutrition questions in Modules 1–4 of the CDC's SHI self-assessment tool and develop project goals and plans that address the identified needs. Modules 1–4 are School Health and Safety Policies and Environment, Health Education, Physical Activity and Other Physical Activity Programs, and Nutrition Services. LEA applicants must use the SHI self-assessment to develop a School Health Improvement Plan focused on improving these issues, and design an initiative that addresses their identified gaps and weaknesses. Applicants must include their Overall Score Card for the questions answered in Modules 1–4 in their application, and correlate their School Health Improvement Plan to their project design. Grantees must also complete the same modules of the SHI at the end of the project period and submit the Overall Score Card from the second assessment in their final reports to demonstrate SHI completion and program improvement as a result of PEP funding.

If a CBO applicant (unless the CBO is a school) is in a partner agreement with an LEA or school, it must collaborate with its partner or partners to complete Modules 1–4 of the SHI.

Alternatively, if the CBO has not identified a school or LEA partner, the CBO is not required to do Modules 1–4 of the SHI but must use an alternative needs assessment tool to assess the nutrition and physical activity environment in the community for children. CBO applicants are required to include their overall findings from the community needs assessment and correlate their findings with their project design. Grantees will be required to complete the same needs assessment at the end of their project and submit their findings in their final reports to demonstrate the completion of the assessment and program involvement as a result of PEP funding.

Requirement 2—Nutrition- and Physical Activity-Related Policies

Grantees must develop, update, or enhance physical activity policies and food- and nutrition-related policies that promote healthy eating and physical activity throughout students' everyday lives, as part of their PEP projects. Applicants must describe in their application their current policy framework, areas of focus, and the planned process for policy development, implementation, review, and monitoring. Grantees will be required to detail at the end of their project period in their final reports the physical activity and nutrition policies selected and how the policies improved through the course of the project.

Applicants must sign a Program-Specific Assurance that commits them to developing, updating, or enhancing these policies during the project period. Applicants that do not submit such a Program-Specific Assurance signed by the applicant's Authorized Representative are ineligible for the competition.

Requirement 3—Linkage With Local Wellness Policies

Applicants that are participating in a program authorized by the Richard B. Russell National School Lunch Act and the Child Nutrition and WIC Reauthorization Act of 2004 must describe in their applications their school district's established local wellness policy and how the proposed PEP project will align with, support, complement, and enhance the implementation of the applicant's local wellness policy. The LEA's local wellness policy should address all requirements in the Child Nutrition and WIC Reauthorization Act of 2004.

CBO applicants must describe in their applications how their proposed projects would enhance or support the intent of the local wellness policies of their LEA partner(s), if they are working in a partnership group.

If an applicant or a member of its partnership group does not participate in the school lunch program authorized by the Richard B. Russell National School Lunch Act and the Child Nutrition and WIC Reauthorization Act of 2004, it will not necessarily have a local wellness policy and, thus, is not required to meet this requirement or adopt a local wellness policy. However, we encourage those applicants to develop and adopt a local wellness policy, consistent with the provisions in the Richard B. Russell National School Lunch Act and the Child Nutrition and

WIC Reauthorization Act of 2004 in conjunction with its PEP project.

Applicants must sign a Program-Specific Assurance that commits them to align their PEP project with the district's Local Wellness Policy, if applicable. Applicants to whom this requirement applies that do not submit a Program-Specific Assurance signed by the applicant's Authorized Representative are ineligible for the competition.

Requirement 4—Linkages With Federal, State, and Local Initiatives

If an applicant is implementing the CDC's Coordinated School Health program, it must coordinate project activities with that initiative and describe in its application how the proposed PEP project would be coordinated and integrated with the program.

If an applicant receives funding under the USDA's Team Nutrition initiative (Team Nutrition Training Grants), the applicant must describe in its application how the proposed PEP project supports the efforts of this initiative.

An applicant for a PEP project in a community that receives a grant under the Recovery Act Communities Putting Prevention to Work—Community Initiative must agree to coordinate its PEP project efforts with those under the Recovery Act Communities Putting Prevention to Work—Community Initiative.

Applicants and PEP-funded projects must complement, rather than duplicate, existing, ongoing or new efforts whose goals and objectives are to promote physical activity and healthy eating or help students meet their State standards for physical education.

Applicants must sign a Program-Specific Assurance that commits them to align their PEP project with the Coordinated School Health program, Team Nutrition Training Grant, Recovery Act Communities Putting Prevention to Work—Community Initiative, or any other similar Federal, State, or local initiatives. Applicants that do not submit a Program-Specific Assurance signed by the applicant's Authorized Representative are ineligible for the competition.

Requirement 5—Updates to Physical Education and Nutrition Instruction Curricula

Applicants that plan to use grant-related funds, including Federal and non-Federal matching funds, to create, update, or enhance their physical education or nutrition education curricula are required to use the

Physical Education Curriculum Analysis Tool (PECAT) and submit their overall PECAT scorecard, and the curriculum improvement plan from PECAT. Also, those applicants that plan to use grant-related funds, including Federal and non-Federal matching funds to create, update, or enhance their nutrition instruction in health education must complete the healthy eating module of the Health Education Curriculum Analysis Tool (HECAT). Applicants must use the curriculum improvement plan from the HECAT to identify curricular changes to be addressed during the funding period. Applicants must also describe how the HECAT assessment would be used to guide nutrition instruction curricular changes. If an applicant is not proposing to use grant-related funds for physical education or nutrition instruction curricula, it would not need to use these tools.

Requirement 6—Equipment Purchases

Purchases of equipment with PEP funds or with funds used to meet the program's matching requirement must be aligned with the curricular components of the proposed physical education and nutrition program. Applicants must commit to aligning the students' use of the equipment with PEP elements applicable to their projects, identified in the absolute priority in this notice, and any applicable curricula by signing a Program-Specific Assurance. Applicants that do not submit a Program-Specific Assurance signed by the applicant's Authorized Representative are ineligible for the competition.

Requirement 7—Increasing Transparency and Accountability

Grantees must create or use existing reporting mechanisms to provide information on students' progress, in the aggregate, on the key program indicators, as described in this notice and required under the Government Performance and Results Act, as well as on any unique project-level measures proposed in the application. Grantees that are educational agencies or institutions are subject to applicable Federal, State, and local privacy provisions, including the Family Educational Rights and Privacy Act—a law that generally prohibits the non-consensual disclosure of personally identifiable information in a student's education record. All grantees must comply with applicable Federal, State, and local privacy provisions. The aggregate-level information should be easily accessible by the public, such as posted on the grantee's or a partner's

Web site. Applicants must describe in their application the planned method for reporting.

Applicants must commit to reporting information to the public by signing a Program-Specific Assurance. Applicants that do not submit a Program-Specific Assurance signed by the applicant's Authorized Representative are ineligible for the competition.

Requirement 8—Participation in a National Evaluation

Applicants must provide documentation of their commitment to participate in the Department's national evaluation. An LEA applicant must include a letter from the research office or research board approving its participation in the evaluation (if approval is needed), and a letter from the Authorized Representative agreeing to participate in the evaluation.

Requirement 9—Required Performance Measures and Data Collection Methodology

Grantees must collect and report data on three GPRA measures using uniform data collection methods. Measure one assesses student physical activity levels: The percentage of students served by the grant who engage in 60 minutes of daily physical activity. Grantees are required to use pedometers for students in grades K–12 and an additional 3-Day Physical Activity Recall (3DPAR) instrument to collect data on students in grades 5–12.

Measure two focuses on student health-related fitness levels: The percentage of students served by the grant who achieve age-appropriate cardiovascular fitness levels. Grantees are required to use the 20-meter shuttle run, a criterion-referenced health-related fitness testing protocol, to assess cardiovascular fitness in middle and high school students.

Measure three focuses on student nutrition: The percentage of students served by the grant who consume fruit two or more times per day and vegetables three or more times per day. Programs serving high school students are required to use the nutrition-related questions from the Youth Risk Behavior Survey to determine the number of students who meet these goals. Programs serving elementary and middle school students are not required to use a specific measurement tool, and may select an appropriate assessment tool for their population.

For each measure, grantees are required to collect and aggregate data from four discrete data collection periods throughout each year. During the first year, grantees have an

additional data collection period prior to program implementation to collect baseline data.

Program Authority: 20 U.S.C. 7261–7261f.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, 99, and 299. (b) The notice of final eligibility requirements for the Office of Safe and Drug-Free Schools discretionary grant programs published in the **Federal Register** on December 4, 2006 (71 FR 70369). (c) The notice of final priorities, requirements, and definitions published elsewhere in this issue of the **Federal Register**.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds:
\$39,729,000.

Contingent upon the availability of funds and the quality of applications, we may make additional awards later in FY 2010 and in subsequent years from the list of unfunded applicants from this competition.

Estimated Range of Awards:
\$100,000–\$750,000.

Estimated Average Size of Awards:
\$427,000.

Estimated Number of Awards: 93.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 36 months.

III. Eligibility Information

1. *Eligible Applicants:* (a) LEAs, including charter schools that are considered LEAs under State law, and CBOs, including faith-based organizations provided that they meet the applicable statutory and regulatory requirements.

(b) The Secretary limits eligibility under this discretionary grant competition to LEAs or CBOs that do not currently have an active grant under the PEP program. For the purpose of this eligibility requirement, a grant is considered active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

2. (a) *Cost Sharing or Matching:* In accordance with section 5506 of the Elementary and Secondary Education Act of 1965, as amended (ESEA), the

Federal share of the project costs may not exceed (i) 90 percent of the total cost of a program for the first year for which the program receives assistance; and (ii) 75 percent of such cost for the second and each subsequent year.

(b) *Supplement-Not-Supplant:* This competition involves supplement-not-supplant funding requirements. Funds made available under this program must be used to supplement, and not supplant, any other Federal, State, or local funds available for physical education activities in accordance with section 5507 of the ESEA.

3. *Other:* An application for funds under this program may provide for the participation, in the activities funded, of (a) students enrolled in private nonprofit elementary schools or secondary schools, and their parents and teachers; or (b) home-schooled students, and their parents and teachers.

IV. Application and Submission Information

1. *Address to Request Application Package:* Carlette Huntley, U.S. Department of Education, 400 Maryland Avenue, SW., Room 10071 PCP, Washington, DC 20202. Telephone: (202) 245–7871. You can also obtain an application package via the Internet. To obtain a copy via internet, use the following address: <http://www.ed.gov/programs/whitephysed/applicant.html>.

If you use a telecommunications device for the deaf (TDD), call the Federal Relay Service (FRS), toll free, at 1–800–877–8339.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or computer diskette) by contacting the program contact person listed under *Accessible Format* in section VIII of this notice.

2. *Content and Form of Application Submission:* Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

3. *Submission Dates and Times:*
Applications Available: June 18, 2010.
Deadline for Transmittal of Applications: July 19, 2010.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) accessible through the Department's e-Grants site. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement,

please refer to section IV. 7. *Other Submission Requirements* of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: September 16, 2010.

4. *Intergovernmental Review:* This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. *Funding Restrictions:* Funds may not be used for construction activities or for extracurricular activities, such as team sports and Reserve Officers' Training Corps program activities (See section 5503 (c) of the ESEA).

In accordance with section 5505(b) of the ESEA, not more than five percent of grant funds provided under this program to an LEA or CBO for any fiscal year may be used for administrative expenses.

We reference additional regulations outlining funding restrictions in the *Applicable Regulations* section of this notice. Information about prohibited activities and use of funds also is included in the application package for this competition.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry:* To do business with the Department of Education, (1) You must have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); (2) you must register both of those numbers with the Central Contractor Registry (CCR), the Government's primary registrant database; and (3) you must provide those same numbers on your application.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you

can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

7. Other Submission Requirements:

Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the Carol M. White Physical Education Program—CFDA Number 84.215F must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday,

Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- Print SF 424 from e-Application.

- The applicant's Authorizing

Representative must sign this form.

- Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.

- Fax the signed SF 424 to the

Competition Manager for this program, Carlette Huntley at 202–245–7166.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will

grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

- You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (a) E-application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1–888–336–8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to e-Application; and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Carlette Huntley, U.S. Department of Education, 400 Maryland Avenue, SW., room 10071, Potomac Plaza Center, Washington, DC 20202–6450. FAX: (202) 245–7166. Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.215F), LBJ Basement Level 1, 400 Maryland Avenue, SW., Washington, DC 20202–4260.

You must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.
- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application, by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.215F), 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202–4260.

The Application Control Center accepts hand deliveries daily between 8

a.m. and 4:30 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If you mail or hand deliver your application to the Department—

(1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

(2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this grant notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245–6288.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are from 34 CFR 75.210 and are listed in the application package.

2. *Review and Selection Process:* An additional factor we consider in selecting an application for an award is equitable distribution of awards among LEAs and CBOs serving urban and rural areas. (See 20 U.S.C. 7261e(b).)

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* There are reporting requirements under this program, including under section 5505(a) of the ESEA and 34 CFR 75.118 and 75.720. In accordance with section 5505(a) of the ESEA, grantees under this program are required to submit an annual report that—

- (1) Describes the activities conducted during the preceding year; and
- (2) Demonstrates that progress has been made toward meeting State standards for physical education.

If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c).

This annual report must also address progress toward meeting the performance and efficiency measures established by the Secretary for this program and described in the next section of this notice.

At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. The Secretary may also require more frequent performance reports under 34 CFR 75.720. For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The Secretary has established the following key performance measures for collecting data to use in assessing the effectiveness of PEP.

(a) The percentage of students served by the grant who engage in 60 minutes of daily physical activity.

(b) The percentage of students served by the grant who achieve age-appropriate cardiovascular fitness levels.

(c) The percentage of students served by the grant who consume fruit two or more times per day and vegetables three or more times per day.

(d) The cost (based on the amount of the grant award) per student who achieves the level of physical activity required to meet the physical activity measures above (percentage of students who engage in 60 minutes of daily physical activity).

These measures constitute the Department's measures of success for this program. Consequently, applicants for a grant under this program are advised to give careful consideration to these measures in conceptualizing the approach and evaluation of their proposed project. If funded, applicants will be asked to collect and report data in their performance and final reports about progress toward these measures. For specific requirements on grantee reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

VII. Agency Contact

For Further Information Contact: Carlette Huntley, U.S. Department of Education, 550 12th Street, SW., room 10071, Potomac Center Plaza,

Washington, DC 20202-6450.
Telephone: 202-245-7871 or by e-mail:
Carlette.Huntley@ed.gov.

If you use a TDD, call the FRS, toll free, at 1-800-877-8339.

VIII. Other Information

Accessible Format: Individuals with disabilities can obtain this document and a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or computer diskette) on request to the program contact person listed under **FOR FURTHER**

INFORMATION CONTACT in section VII of this notice.

Electronic Access to This Document: You can view this document, as well as all other documents of this Department published in the **Federal Register**, in text or Adobe Portable Document Format (PDF) on the Internet at the following site: <http://www.ed.gov/news/fedregister>.

To use PDF you must have Adobe Acrobat Reader, which is available free at this site.

Note: The official version of this document is the document published in the **Federal Register**. Free Internet access to the official edition of the **Federal Register** and the Code of Federal Regulations is available on GPO Access at: <http://www.gpoaccess.gov/nara/index.html>.

Dated: June 14, 2010.

Kevin Jennings,

Assistant Deputy Secretary for Safe and Drug-Free Schools.
