Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The High School Graduation Initiative (formerly known as the School Dropout Prevention (SDP) program) awards grants to local educational agencies (LEAs) and State educational agencies (SEAs) to support the implementation of effective, sustainable, and coordinated dropout prevention and reentry programs in schools that serve students in grades 6 through 12 and that have event dropout rates that are above the State average event dropout rate or are middle schools that feed students into such schools.¹

Priorities: This notice includes two priorities. In accordance with 34 CFR 75.105(b)(2)(v), Priority 1 is from the allowable activities specified in the statute (see section 1825(1) of the Elementary and Secondary Education Act of 1965, as amended (ESEA) (20 U.S.C. 6561d(1))). Priority 2 is from the notice of final priorities, requirements, definitions, and selection criteria for the SDP program, published in the **Federal Register** on July 8, 2005 (70 FR 39499) (2005 SDP program NFP).

Absolute Priorities: For FY 2010 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are absolute priorities. Under

¹ According to the National Center for Education Statistics (NCES), in the 2007–08 school year, the most recent school year for which data are available, the national event dropout rate for public high schools in the 49 reporting States and the District of Columbia was 4.1 percent. The rate ranged from 1.7 percent in Indiana and New Jersey to 7.5 percent in Louisiana. Twenty-six States had event dropout rates for public high schools of 4 percent or less; four States had event dropout rates for public high schools of 6 percent or more (Stillwell, R. (2010). Public School Graduates and Dropouts From the Common Core of Data: School Year 2007–08 (NCES 2010–341)).

34 CFR 75.105(c)(3) we consider only applications that meet these priorities.

These priorities are:

Absolute Priority 1: Effective Early Identification, Prevention, and Intervention Programs.

This priority supports projects that propose to establish, enhance, or expand effective early intervention programs designed to identify at-risk students and prevent such students from dropping out of school and effective programs to identify and encourage youth who have already dropped out of school to reenter school and complete their secondary education (20 U.S.C. 6561d(1)).

Absolute Priority 2: Collaboration with Other Agencies

Under this priority, an applicant must include in its application evidence that other public or private entities will be involved in, or provide financial support for, the implementation of the activities described in the application. Applicants may involve such State agencies as those responsible for administering postsecondary education, Title I of the Workforce Investment Act, Temporary Assistance for Needy Families, Medicaid, the State Children's Health Insurance Program, foster care, juvenile justice, and others. Applicants also may collaborate with business and industry, civic organizations, foundations, and community- and faith-based organizations, among other private-sector entities.

Acceptable evidence of collaboration is a memorandum of understanding or other document signed by the principal officer of each participating agency that identifies (1) how the agency will be involved in the implementation of the project or (2) the financial resources (cash or in-kind) that it will contribute to support the project, or both.

Definitions. In addition to the definitions in the authorizing statute and 34 CFR 77.1, the following definitions also apply to this program. These definitions are from the 2005 SDP program NFP.

High school dropout means an individual who—

(a) Was enrolled in a district in grades nine through 12 at some time during the preceding school year;

(b) Was not enrolled at the beginning of the current school year;

(c) Has not graduated or completed a program of studies by the maximum age established by a State;

(d) Has not transferred to another public school district, a nonpublic school, or a State-approved educational program; and

(e) Has not left school because of death, illness, or a school-approved absence.

State event dropout rate means the dropout rate calculated by dividing the number of high school dropouts (as defined elsewhere in this notice) in the State by the total number of students enrolled in grades 9 through 12 in public schools in the State during the current school year. This calculation is based upon the annual school event dropout rate calculation of the National Center for Education Statistics' Common Core of Data.

School event dropout rate means the dropout rate calculated by dividing the number of high school dropouts (as defined elsewhere in this notice) in a school by the total number of students enrolled in grades 9 through 12 in that school during the current school year.

Program Authority: 20 U.S.C. 6551 *et seq.* and the 2010 Consolidated Appropriations Act, Public Law 111–117.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 80, 81, 82, 84, 85, 97, 98, and 99. (b) The notice of final priorities, requirements, definitions, and selection criteria for the SDP program, published in the **Federal Register** on July 8, 2005 (70 FR 39499).

Therefore, we strongly encourage each potential applicant to send a notification of its intent to apply for funding to hsgi@ed.gov by July 7, 2010. The notification of intent to apply for funding is optional. Applicants that do not supply this e-mail notification may still apply for funding.

Page Limit: The application narrative is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit the application narrative to no more than 50 pages, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.

The page limit does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances and certifications; or the one-page abstract, the resumes, the bibliography, or the letters of support. However, the page limit does apply to all of the application narrative section. We further encourage applicants to limit resumes to no more than three pages and all other attachments or appendices to no more than 20 pages.

Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the High School Graduation Initiative—CFDA Number 84.360 must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement *and* submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

V. **Application Review Information**

Selection Criteria: The following selection criteria will be used to evaluate applications for new grants under this program. The selection criteria for this competition are from 34 CFR 75.210, and, where otherwise noted, the 2005 SDP program NFP, and sections 1823 and 1825 of the ESEA.

Note: The maximum score for a grant application under this program is 100 points. The maximum points assigned to each criterion and sub-criterion are indicated in parentheses.

(a) *Need for the Project.* In determining the need for the proposed project, we will consider the extent to which the proposed project will target secondary schools serving students in grades 6 through 12 that have the highest annual school dropout rates or the middle schools that feed students into those secondary schools (20 U.S.C. 6561b(b)(1)(A)(ii)) (10 points).

(b) *Quality of Project Services.*

(1) In determining the quality of the services to be provided by the proposed project, we will consider the quality and sufficiency of strategies for ensuring equal access and treatment for eligible project participants who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability (5 points).

(2) In addition, we will consider the following:

(A) The likely effectiveness, based on research, data, and the needs of the target population, to implement the proposed project, of—

(i) The early intervention programs that the proposed project will implement to identify at-risk students, based on data (20 U.S.C. 6561d(1)(A)); and

(ii) The dropout prevention programs that the proposed project will carry out (20 U.S.C. 6561a(a)(1)(B)) (15 points);

(B) The extent to which the proposed project is likely to be effective, based on research, data, and the needs of the

target population, in identifying and assisting youth who have already dropped out of school to reenter school and complete their secondary education (20 U.S.C. 6561d(1)(C)) (25 points);

(C) The extent to which the services to be provided by the proposed project are appropriate to the needs of the intended recipients or beneficiaries of those services (5 points);

(D) The extent to which the activities to be assisted conform with research knowledge about school dropout prevention and reentry (20 U.S.C. 6561b(b)(1)(G)) (10 points); and

(E) The extent to which the services to be provided by the proposed project involve the collaboration and commitment of appropriate partners for maximizing the effectiveness of project services (7 points).

c. *Quality of the Management Plan.* In determining the quality of the management plan for the proposed project, we will consider the following:

(1) The adequacy of the management plan to achieve the objectives of the proposed project on time and within budget, including the extent to which the plan clearly defines the roles and responsibilities of each agency and its key personnel and establishes detailed timelines and milestones for accomplishing each of the project tasks (2005 SDP program NFP) (15 points); and

(2) The extent to which the time commitments of the project director and principal investigator and other key project personnel are appropriate and adequate to meet the objectives of the proposed project (3 points).

d. *Quality of Assessment of Project Effectiveness.* In determining the quality of the applicant's plan to assess the project's effectiveness, we consider the extent to which the methods proposed by the applicant are sufficiently rigorous to determine the effectiveness of the project (20 U.S.C. 6561b(b)(1)(A)(iii)) (5 points).

VI. **Award Administration Information**

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Grant Administration*: Projects funded under this competition are encouraged to budget for a two-day meeting for project directors to be held annually in Washington, DC.

4. *Reporting*: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

5. *Performance Measures*: The Department has established the following Government Performance and Results Act of 1993 (GPRA) performance measures for this program:

(1) For each high school served by the project, the school's graduation rate, as defined in the State's approved accountability plan for Part A of Title I of the ESEA, as well as the graduation rates for the following subgroups:

- (A) Major racial and ethnic groups;
- (B) Students with disabilities;
- (C) Students with limited English proficiency; and
- (D) Economically disadvantaged students.

Note: The Department will identify each school's graduation rate, as well as the graduation rates for the subgroups identified in this section, using the data that are now reported to the Department by SEAs using the EDEN Submission System (ESS). Grantees will not be required to provide these data.

(2) The number and percentage of students enrolled in grades 9 through 12 in schools or programs served by the project who, during the most recent school year, earned one quarter of the credits necessary to graduate from high school with a regular diploma.

(3)(A) The number and percentage of students served by the project who had not attended school for 60 or more instructional days immediately prior to their participation in the project; and

(B) The average daily attendance of such students while participating in the project.

(4)(A) The number and percentage of students served by the project during the most recent school year who were two or more years behind their expected age and credit accumulation in high school; and

(B) The number and percentage of such students who earned one half or more of the credits they need to graduate with a regular diploma.

(5) For each school served by the project that includes an eighth grade—

(A) The average daily attendance of such school; and

(B) The number and percentage of students enrolled in the eighth grade who enrolled in ninth grade at the start of the next school year.

These measures constitute the Department's indicators of success for this program. Consequently, we advise an applicant for a grant under this program to give careful consideration to these measures in conceptualizing the approach and evaluation for its proposed project. Each grantee will be required to provide, in its annual performance and final reports, data about its progress in meeting these measures.

(Champlain Hudson) to construct, operate, maintain, and connect a new electric transmission line across the U.S.-Canada border in northeastern New York State. The EIS, *Champlain Hudson Power Express Transmission Line Project Environmental Impact Statement* (DOE/EIS-0447), will address potential environmental impacts from the proposed action and the range of reasonable alternatives.

The purpose of this Notice of Intent (NOI) is to inform the public about the proposed action, announce plans to conduct seven public scoping meetings in the vicinity of the proposed transmission line, invite public participation in the scoping process, and solicit public comments for consideration in establishing the scope of the EIS. Because the proposed project may involve actions in floodplains and wetlands, in accordance with 10 CFR part 1022, *Compliance with Floodplain and Wetland Environmental Review Requirements*, the draft EIS will include a floodplain and wetland assessment as appropriate, and the final EIS or record of decision will include a floodplain statement of findings.
