FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collections Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority, Comments Requested

June 15, 2010.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collections, as required by the Paperwork Reduction Act (PRA) of 1995, 44 U.S.C. 3501-3520. Comments are requested concerning: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance

the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology, and (e) ways to further reduce the information collection burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a currently valid OMB control number.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before August 17, 2010. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of Management and Budget, via fax at 202-395-5167 or via email to Nicholas_A_Fraser@omb.eop.gov and to the Federal Communications Commission via email to PRA@fcc.gov and Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information, contact Cathy Williams on (202) 418-2918.

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the

Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Healthcare Effectiveness Data and Information Set (HEDIS®) Data Collection for Medicare Advantage; *Use:* Medicare Advantage Organizations (MAOs) and section 1876 cost contracting managed care are required to submit HEDIS® data to CMS on an annual basis. Sections 422.152 and 422.516 of Volume 42 of the Code of Federal Regulations (CFR) specify that Medicare Advantage organizations must submit performance measures as specified by the Secretary of the Department of Health and Human Services and by CMS. These performance measures include HEDIS®, HEDIS® is a widely used set of health plan performance measures utilized by both private and public health care purchasers to promote accountability and to assess the quality of care provided by managed care organizations. HEDIS® is designed for private and public health care purchasers to promote accountability and to assess the quality of care provided by managed care organizations. CMS is committed to the implementation of health care quality assessment in the Medicare Advantage program. In January 1997, CMS began requiring Medicare managed care organizations (MCOs) (these organizations are now called Medicare Advantage organizations or MAOs) to collect and report performance measures from HEDIS® relevant to the Medicare managed care beneficiary population.

The data are used by CMS staff to monitor MAO performance and inform audit strategies, and inform beneficiary choice through their display in CMS' consumer-oriented public compare tools and Web sites. Medicare Advantage organizations use the data for quality
