Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the

Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Healthcare Effectiveness Data and Information Set (HEDIS®) Data Collection for Medicare Advantage; *Use:* Medicare Advantage Organizations (MAOs) and section 1876 cost contracting managed care are required to submit HEDIS® data to CMS on an annual basis. Sections 422.152 and 422.516 of Volume 42 of the Code of Federal Regulations (CFR) specify that Medicare Advantage organizations must submit performance measures as specified by the Secretary of the Department of Health and Human Services and by CMS. These performance measures include HEDIS®, HEDIS® is a widely used set of health plan performance measures utilized by both private and public health care purchasers to promote accountability and to assess the quality of care provided by managed care organizations. HEDIS® is designed for private and public health care purchasers to promote accountability and to assess the quality of care provided by managed care organizations. CMS is committed to the implementation of health care quality assessment in the Medicare Advantage program. In January 1997, CMS began requiring Medicare managed care organizations (MCOs) (these organizations are now called Medicare Advantage organizations or MAOs) to collect and report performance measures from HEDIS® relevant to the Medicare managed care beneficiary population.

The data are used by CMS staff to monitor MAO performance and inform audit strategies, and inform beneficiary choice through their display in CMS' consumer-oriented public compare tools and Web sites. Medicare Advantage organizations use the data for quality
