

Abstract: A Direct Loan Program borrower may use the Repayment Plan Selection form to select an initial repayment plan prior to entering repayment, or to request a change from the borrower's current repayment plan to a different repayment plan. For borrowers who select the Income Contingent Repayment (ICR) Plan or the Income-Based Repayment (IBR) Plan, the Repayment Plan Selection form also serves as the means by which the U.S. Department of Education collects the information needed to calculate the borrower's monthly payment amount and, in the case of the IBR plan, the information needed to determine the borrower's initial eligibility to repay under this plan.

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before August 20, 2010.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested

Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: June 15, 2010.

Loan. The Direct PLUS Loan MPN also informs the borrower of the terms and conditions of Direct PLUS Loan and includes a statement of borrower's rights and responsibilities. A Direct PLUS Loan borrower must not have an adverse credit history. If an applicant for a Direct PLUS Loan is determined to have an adverse credit history, the applicant may qualify for a Direct PLUS Loan by obtaining an endorser who does not have an adverse credit history. The Endorser Addendum serves as the means by which an endorser agrees to repay the Direct PLUS Loan if the borrower does not repay it.
