SUPPLEMENTARY INFORMATION:

I. Background

Prohibited Transaction Class Exemption 92-6 exempts from the prohibited transaction restrictions of the Employee Retirement Security Act of 1974 (ERISA) the sale of individual life insurance or annuity contracts by a plan to participants, relatives of participants, employers any of whose employees are covered by the plan, other employee benefit plans, owner-employees or shareholder-employees. In the absence of this exemption, certain aspects of these transactions might be prohibited by section 406 of ERISA.

Among other conditions, PTE 92-6 requires that pension plans inform the insured participant of a proposed sale of a life insurance or annuity policy to the employer, a relative, another plan, an owner-employee, or a shareholder-employee. This recordkeeping requirement constitutes an information collection within the meaning of the PRA, for which the Department has obtained approval from the Office of Management and Budget (OMB) under OMB Control No. 1210-0063. The OMB approval is currently scheduled to expire on August 31, 2010.
