Title: Nondiscrimination as it Applies to FTA Grant Programs.

Background: All entities receiving federal financial assistance from FTA are prohibited from discriminating against any employee or applicant for employment because of race, color, creed, sex, national origin, age, or disability. To ensure that FTA’s equal employment opportunity (EEO) procedures are followed, FTA requires grant recipients to submit written EEO plans to FTA for approval. FTA’s assessment of this requirement shows that formulating, submitting, and implementing EEO programs should minimally increase costs for FTA applicants and recipients.

To determine a grantee’s compliance with applicable laws and requirements, grantee submissions are evaluated and analyzed based on the following criteria. First, an EEO program must include an EEO policy statement issued by the chief executive officer covering all employment practices, including recruitment, selection, promotions, terminations, transfers, layoffs, compensation, training, benefits, and other terms and conditions of employment. Second, the policy must be placed conspicuously so that employees, applicants, and the general public are aware of the agency’s EEO commitment.

The data derived from written EEO and affirmative action plans will be used by the Office of Civil Rights in monitoring grantees’ compliance with applicable EEO laws and regulations. This monitoring and enforcement activity will ensure that minorities and women have equitable access to employment opportunities and that recipients of federal funds do not discriminate against any employee or applicant because of race, color, creed, sex, national origin, age, or disability.

Respondents: FTA grant recipients.

Estimated Annual Burden on Respondents: 25 hours for each of the 97 EEO submissions.

Estimated Total Annual Burden: 2,416 hours.

Frequency: On occasion, every 3 years, annually.

Title: Title VI as it Applies to FTA Grant Programs.

Background: Section 601 of Title VI of the Civil Rights Act of 1964 states: “No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance.” This information collection is required by the Department of Justice (DOJ) Title VI Regulation, 28 CFR Part 42, Subpart F (Section 42.406), and DOT Order 1000.12. FTA policies and requirements are designed to clarify and strengthen these regulations. This requirement is applicable to all applicants, recipients, and subrecipients receiving federal financial assistance. Experience has demonstrated that a program requirement at the application stage is necessary to assure that benefits and services are equitably distributed by grant recipients. The requirements prescribed by the Office of Civil Rights accomplish that objective while diminishing possible vestiges of discrimination among FTA grant recipients. FTA’s assessment of this requirement indicated that the formulation and implementation of the Title VI program should occur with a decrease in costs to such applicants and recipients. All FTA grant applicants, recipients, and subrecipients are required to submit applicable Title VI information to the FTA Office of Civil Rights for review and approval. If FTA did not conduct pre-award reviews, solutions would not be generated in advance and program improvements could not be integrated into projects. FTA’s experience with pre-award reviews for all projects and grants suggests this method contributes to maximum efficiency and cost effectiveness of FTA dollars and has kept post-award complaints to a minimum. Moreover, the objective of the Title VI statute can be more easily attained and beneficiaries of FTA funded programs have a greater likelihood of receiving transit services and related benefits on a nondiscriminatory basis.

Respondents: FTA grant recipients.

Estimated Annual Burden on Respondents: 23 hours for each of the 316 Title VI programs.

Estimated Total Annual Burden: 5,332 hours.

Frequency: Annual.

Issued: June 17, 2010.
