Proposed Collection; Comment Request

Upon Written Request, Copies Available
From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 15Ba2-1 and Form MSD; SEC File No. 270-0088; OMB Control No. 3235-0083.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 15Ba2-1 (17 CFR 240.15Ba2-1) and Form MSD (17 CFR 249.1100), under the Securities and Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 15Ba2-1 provides that an application for registration with the Commission by a bank municipal securities dealer must be filed on Form MSD. The Commission uses the

information contained in Form MSD to determine whether bank municipal securities dealers meet the standards for registration set forth in the Exchange Act, to develop a central registry where members of the public may obtain information about particular bank municipal securities dealers, and to develop statistical information about bank municipal securities dealers.

Based upon past submissions, the staff estimates that approximately 41 respondents will utilize this application procedure annually. The staff estimates that the average number of hours necessary to comply with the requirements of Rule 15Ba2-1 is 1.5 hours per respondent, for a total burden of 61.5 hours. The average cost per hour is approximately \$67. Therefore, the total cost of compliance for the respondents is approximately \$4,120.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.
