

identifies an information collection activity that the Office of the Secretary will submit to OMB for extension or re-approval.

Public Law 88-459 authorizes Federal agencies to provide housing for Government employees under specified circumstances. In compliance with OMB Circular A-45 (Revised), Rental and Construction of Government Quarters, a review of private rental market housing rates is required at least once every 5 years to ensure that the rental, utility charges, and charges for related services to occupants of Government Furnished Housing (GFH) are comparable to corresponding charges in the private sector. To avoid unnecessary duplication and inconsistent rental rates, the Department of the Interior, Office of the Secretary, Office of Acquisition and Property Management, conducts housing surveys in support of employee housing management programs for the Departments of the Interior (DOI), Agriculture, Commerce, Homeland Security, Justice, Transportation, Health and Human Services, and Veterans Affairs. In this survey, two collection forms are used: OS-2000, covering "Houses—Apartments—Mobile Homes" and OS-2001, covering "Trailer Spaces."

This collection of information provides data that helps DOI and the other Federal agencies to manage GFH in accordance with the requirements of OMB Circular A-45 (Revised). If this information were not collected from the public, DOI and the other Federal agencies required to provide GFH would be required to use professional appraisals of open market rental costs for GFH, again, in accordance with OMB Circular A-45.

II. Data

(1) *Title*: Private Rental Survey.

OMB Control Number: 1084-0033.

Current Expiration Date: 07/31/2010.

Type of Review: Information Collection Renewal.

Affected Entities: Individuals or households, Businesses and other for-profit institutions.

Estimated annual number of respondents: OS-2000: 3,604; OS-2001: 200; Total: 3,804.

Frequency of response: Ranges from 1 to 2.1 per respondent every fourth year. Note: Three or four of 15 total survey regions are surveyed every year. Therefore each respondent may potentially be surveyed every fourth year, if an individual respondent lives in the same unit, or if an individual business is a significant rental property owner or rental property manager in the community.

(2) Annual reporting and recordkeeping burden.

Estimated burden per response: OS-2000: 8 minutes; OS-2001: 6 minutes.

Total annual reporting: OS-2000: 577 hours; OS-2001: 22 hours,

Total: 599 hours.

(3) Description of the need and use of the information: This information collection provides the data that enables DOI to determine open market rental costs for GFH. These rates, in turn, enable DOI and other Federal agencies to set GFH rental rates in accordance with the requirements of OMB Circular A-45 (Revised).

(4) As required under 5 CFR 1320.8(d), a **Federal Register** notice soliciting comments on the information collection was published on April 2, 2010 (75 FR 16826). No comments were received. This notice provides the public with an additional 30 days in which to comment on the proposed information collection activity.

III. Request for Comments

The Department of the Interior invites comments on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) The accuracy of the agency's estimate of the burden of the collection and the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other collection techniques or other forms of information technology.

Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information

unless it displays a currently valid Office of Management and Budget control number.

All written comments will be available for public inspection in the Main Interior Building, 1849 C Street, NW., Washington, DC, during normal business hours, excluding legal holidays. For an appointment to inspect comments, please contact Rachel Drucker by telephone on (202) 208-3568, or by e-mail at Rachel_Drucker@nbc.gov, to make an appointment. A valid picture identification is required for entry into the Department of the Interior.
