Reopening the Call for Nominations for Certain Resource Advisory Councils
AGENCY: Bureau of Land Management, Interior.
ACTION: Notice.

SUMMARY: The purpose of this notice is to reopen the nomination period for certain Bureau of Land Management (BLM) Resource Advisory Councils (RAC). The RACs provide advice and recommendations to the BLM on land use planning and management of the National System of Public Lands within their geographic areas.

DATES: All nominations must be received no later than July 29, 2010.

ADDRESSES: See “SUPPLEMENTARY INFORMATION” for the address of BLM offices accepting nominations.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act of 1976 (FLPMA) (43 U.S.C. 1739) directs the Secretary of the Interior (Secretary) to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). The rules governing RACs are found at 43 CFR subpart 1784. As required by FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. These include three categories:

Category One— Holders of Federal grazing permits and representatives of organizations associated with energy and mineral development, timber, industry, transportation or rights-of-way, developed outdoor recreation, off-highway vehicle use, and commercial recreation;

Category Two— Representatives of nationally or regionally recognized environmental organizations, archaeological and historic organizations, dispersed recreation activities, and wild horse and burro organizations; and

Category Three— Representatives of state, county, or local elected office; representatives and employees of a state agency responsible for management of natural resources; representatives of Indian tribes within or adjacent to the area for which the council is organized; representatives of academia who are employed in natural sciences; and the public-at-large.

Individuals may nominate themselves or others. Nominees must be residents of the state in which the RAC has jurisdiction. The BLM will evaluate nominees based on their education, training, experience, and knowledge of the geographical area of the RAC.
