Abstract of Proposed Collection

The Foreign Diplomatic Service Applications are all associated with OMB Collection number 1405-0105. Form DS-4138, *Request for Escort Screening Courtesies*, is the means by which the U.S. Department of State (DOS) will adjudicate requests for assignment of a DOS representative to ensure that eligible senior foreign government officials are exempted from the TSA security screening process at major U.S. airports. The request will be used to review for entitlement to the courtesy, the specific airport to be advised, and the assignment of a DOS escort. Form DS-4139, *Photograph and Signature Card*, is the means by which the Department obtains a photograph and/or signature for use in the production of an identification card, a sales tax exemption card, or DOS driver license when applications are submitted electronically (thru e-Gov) for foreign mission personnel and their dependents. Form DS-4140, *Application for OFM Web site Account*, is the means by which the Department provides accredited foreign mission administrative staff authorized access to the Office of Foreign Missions' electronic data submission (e-Gov) system. OFM's e-Gov system is accessed to submit automated service requests to the Office of Foreign Missions and the Office of Protocol of the U.S. State Department to obtain "benefits" designated under the Foreign Missions Act, 22 U.S.C. 4301 *et seq.*, and must be obtained through the U.S. Department of State. Also, form DS-1504, *Request for Customs Clearance of Merchandise*, is the means by which the Department provides customs duty-free entry privileges for foreign missions, its mission personnel and their dependents. The applications provide the Department with the necessary information to administer its programs effectively and efficiently.

Methodology

These applications/information collections are submitted by all foreign missions to the Office of Foreign Missions via the following methods: Electronically, mail, and/or personal delivery.

Dated: June 14, 2010.
