SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62368; File No. SR-NYSEARCA-2010-60]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Arca, Inc. Amending NYSE Arca Equities Rule 7.11 To Set Forth How the Exchange Will Handle Order Flow During a Regulatory Halt for a Security Listed on an Exchange Other Than NYSE Arca

June 23, 2010.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on June 22, 2010, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Arca Equities Rule 7.11 to set forth how the Exchange will handle order flow during a regulatory halt for a security listed on an exchange other than NYSE Arca. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE Arca Equities Rule 7.11 to revise how the Exchange will handle order flow during a regulatory halt for a security listed on an exchange other than NYSE Arca.

Rule 7.11 was approved by the Commission on June 10, 2010.⁴ The Exchange filed to amend Rule 7.11 to add subsection (f) to the Rule, which addresses how orders will be handled when another primary listing market issues a trading pause or a regulatory halt.⁵ Pursuant to Rule 7.11(f), upon the receipt of a trading pause or regulatory halt message from another primary listing market, the Exchange will take the following actions: (i) Maintain all resting orders in the Book; (ii) cancel any unexecuted portion of Market Orders and Pegged Orders; (iii) accept and process all cancellations; (iv) accept and route new Market Orders to the

primary market; (v) accept and route PO and PO+ Orders to the primary market; and (vi) reject all other orders until the stock has reopened.

Before the amendment to add section (f) to the Rule, the Exchange accepted all entry and cancellation of orders during a regulatory halt invoked by another market. While the Exchange believes that it is appropriate during a regulatory halt to take the actions set forth in Rule 7.11(f), the Exchange notes that not all regulatory halts have the same basis and there are times when the Exchange believes that trading should continue, notwithstanding whether another market has invoked a regulatory halt. For example, if trading has halted on another market because of an initial public offering, the Exchange believes it should be able to accept order flow during such a halt.

To enable the Exchange to accept order flow during certain regulatory halts, the Exchange proposes to revert back to how it handled order flow during a regulatory halt before it amended Rule 7.11. As proposed, during a regulatory halt, the Exchange will continue to accept all order entry and cancellation messages and will not reject any orders during a regulatory halt. The Exchange therefore proposes to amend Rule 7.11(f) to delete the reference to regulatory halts. The Exchange will continue to follow the procedures set forth in Rule 7.11(f) when another primary listing market invokes a trading pause.

The Exchange also proposes a technical amendment to change the term "Corporation" to "Exchange" in Rule 7.11(d).

2. Statutory Basis

The statutory basis for the proposed rule change is Section 6(b)(5) of the Securities Exchange Act of 1934 (the "Act"),⁶ which requires the rules of an exchange to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The proposed rule change also is designed to support the principles of Section 11A(a)(1)⁷ of the Act in that it seeks to assure fair competition among brokers and dealers and among exchange markets. The Exchange believes that the proposed rule meets these requirements in that it promotes transparency for how order flow will be handled during a regulatory

halt for a security listed on an exchange other than NYSE Arca.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b4(f)(6)(iii),¹¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission notes that the Exchange, upon reflection, has decided to revert to its former manner of handling orders during regulatory halts. The proposed rule change does not raise any new substantive issues. For these reasons, the Commission believes that the waiver of the 30-day operative delay is consistent with the protection of investors and the public interest.¹²

¹² For purposes only of waiving the 30-day operative delay of this proposal, the Commission has considered the proposed rule's impact on

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change by NYSE Arca To Expand and Permanently Establish Its Short Term Option Program

June 23, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b–4 thereunder,² notice is hereby given that, on June 17, 2010, NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by NYSE Arca. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend Rule 6.4 Commentary .07 to increase the number of One Week Options Series in an underlying class from five to twenty. The proposed change is based on an approved rule of the Chicago Board Options Exchange, Inc. (“CBOE”). The Exchange is proposing to adopt the Pilot Program on a permanent basis. In addition, the Exchange is amending the name of the Pilot to be the Short Term Options Series Program and proposing, by amending Rule 5.19, certain non-substantive changes to reorganize its rule text related to Short Term Option Series so that applicable terms are located within a single section of the relevant rules. The Exchange is also amending Rule 6.4 to allow the Short Term Option Opening Date to be either a Thursday or Friday (or, if the Exchange is not open for business on the respective Thursday or Friday, the first business day immediately prior to that respective Thursday or Friday), based on a rule change adopted by the CBOE.³

On July 12, 2005, the Securities and Exchange Commission (“Commission”) approved the Pilot Program.⁴ The Pilot Program allows NYSE Arca to list and trade One Week Option Series, which would expire one week after the date on which a series is opened. Under the Pilot Program, NYSE Arca can select up

³ See Exchange Act Release No. 62170, (May 25, 2010) 75 FR 30889 (June 2, 2010) (SR–CBOE–2010–048).

⁴ See Exchange Act Release No. 52013, (July 12, 2005) 70 FR 41471 (July 19, 2005). The Pilot has been extended each year. See Exchange Act Release No. 54052 (June 27, 2006) 71 FR 38679 (July 7, 2006); Exchange Act Release No. 56048 (July 11, 2007) 72 FR 39653 (July 19, 2007); Exchange Act Release No. 58085, (July 2, 2008) 73 FR 39767 (July 10, 2008); Exchange Act Release No. 60285 (July 10, 2009) 74 FR 34816 (July 17, 2009).

to five approved option classes on which One Week Option Series could be opened.

If selected for the Pilot Program, the Exchange may open up to five One Week Option Series for each expiration date in that class. The strike price of each One Week Option Series are fixed at a price per share, with approximately the same number of strike prices above and below the value of the underlying security or calculated index value at about the time that the One Week Option Series is opened.

The Exchange proposes to adopt the Pilot Program on a permanent basis. The current Pilot expires on July 12, 2010.

While NYSE Arca did not list any Short Term Option Series during most of the Pilot Period, it did recently list Short Term Options Series in multiply listed issues selected by NYSE Amex LLC (“NYSE Amex”).⁵ There has been continued investor interest in trading short-term options at the Chicago Board Options Exchange (“CBOE”), and significant investor interest in Short Term Options Series in the four issues selected by NYSE Amex. The CBOE adopted their Pilot Program on a permanent basis after four years of trading “weekly” on four index products, and found no operational or capacity related problems.⁶ In order to remain competitive in listing Short Term Option Series in multiply listed classes, and to have the ability to respond to customer interests if warranted, the Exchange proposes to adopt its Pilot Program on a permanent basis.

In the original proposal to establish the Pilot Program the Exchange stated that if it were to propose an extension or an expansion of the program, the Exchange would submit, along with any filing proposing such amendments to the program, a Pilot Program report (“Report”). The Report would provide an analysis of the Pilot Program covering the entire period during which the Pilot Program was in effect. Since the Exchange did not have any Short Term Options Series listed as part of the Pilot Program until very recently, there is no data available to compile such a report at this time. Therefore there is no Report associated with the program included with this proposal to adopt the Program on a permanent basis. NYSE Arca does commit to providing a Report on Short

⁵ On June 3, 2010, NYSE Amex listed Short Term Options Series expiring June 11, 2010 in NASDAQ 100 Tracking Stock (QQQ); SPDR S&P 500 ETF (SPY); iShares Russell 2000 Index Fund (IWM); and DIAMONDS Trust (DIA).
