

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary in 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please review section 6114(d) of the America COMPETES Act, 20 U.S.C. 9814(d), and go to: <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The objective of the TCT Programs for Master's Degrees in Science, Technology, Engineering, Mathematics, or Critical Foreign Language Education is to train program participants as highly qualified teachers in these subject areas and to place them in high-need LEAs. Under the Government Performance and Results Act (GPRA), the following measures will be used by the Department in assessing the performance of the program.

(1) The percentage of program participants who earn a master's degree and certification or licensure in a science, technology, engineering, mathematics, or critical foreign language area (includes previously licensed teachers who receive a master's degree).

(2) The percentage of program participants who become or remain a teacher of record in a science, technology, engineering, mathematics, or critical foreign language area in a high-need school.

(3) The percentage of program participants who remain teaching in the science, technology, engineering, mathematics, or critical foreign language area in a high-need school for two or more years.

(4) The cost per program participant who remains in teaching in the science, technology, engineering, mathematics, or critical foreign language area in a high-need school for two or more years.

If funded, you will be asked to collect and report data on these measures in your project's annual performance report (EDGAR, 34 CFR 75.590).

Applicants are also advised to consider these measures in conceptualizing the design, implementation, and evaluation of their proposed projects because of their importance in the application review process. Collection of data on these measures should be a part of the evaluation plan, along with measures of progress on goals and objectives that are specific to your project.

*Catalog of Federal Domestic Assistance (CFDA) Number:* 84.407A.

*Dates:*

*Applications Available:* June 30, 2010.

*Deadline for Transmittal of*

*Applications:* July 30, 2010.

### Full Text of Announcement

#### I. Funding Opportunity Description

*Purpose of Program:* The purpose of this program is to support model demonstration programs that promote the successful transition of students with intellectual disabilities into higher education and to enable institutions of higher education (IHEs) (or consortia of institutions of higher education), to create or expand high quality inclusive model comprehensive transition and postsecondary programs for students with intellectual disabilities.

*Priorities:* This notice contains one absolute priority, three competitive preference priorities, and one invitational priority for the FY 2010 grant competition and any subsequent year in which we make awards from the list of unfunded applicants from this competition. We are establishing the absolute priority in accordance with section 437(d)(1) of the General Education Provisions Act (GEPA), 20 U.S.C. 1232(d)(1).

*Absolute Priority:* This priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

A grant recipient must use grant funds to establish a model comprehensive transition and postsecondary program for students with intellectual disabilities that—

(1) Serves students with intellectual disabilities;

(2) Provides individual supports and services for the academic and social inclusion of students with intellectual disabilities in academic courses, extracurricular activities, and other aspects of the IHE's regular postsecondary program;

(3) Provides a focus on academic enrichment, socialization, independent living skills, including self-advocacy, and integrated work experiences and

career skills that lead to gainful employment;

(4) Integrates person-centered planning in the development of the course of study for each student with an intellectual disability participating in the model program;

(5) Participates with the coordinating center established under section 777(b) of the HEA, in the evaluation of the components of the model program and budgets \$4,000 annually for evaluation expenses incurred by the coordinating center including data collection, storage, analyses, and reporting;

(6) Engages in scheduled meetings or conference calls sponsored by the coordinating center, contributes \$500 annually to the coordinating center in consultation with the Federal project officer to support conference expenses, and allocates five-percent of the time of one project personnel to support meeting and conference planning each project year;

(7) Partners with one or more local educational agencies to support students with intellectual disabilities participating in the model program who are still eligible for special education and related services under the Individuals with Disabilities Education Act (IDEA);

(8) Implements a financial and program plan for the sustainability of the model after the end of the grant period; and

(9) Creates and offers a meaningful credential for students with intellectual disabilities upon the completion of the model program.

**Competitive Preference Priorities:** In accordance with 34 CFR 75.105(b)(2)(iv), these priorities are from section 767(c)(3) of the HEA. For FY 2010, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award an additional nine points to an applicant (three points for each of the three priorities), that meets these priorities. An applicant can choose to respond to one, two, or all three of these priorities and can receive points based on their response to each separate priority.

These priorities are:

**Competitive Priority 1:**

Applicants that propose to form a sustained and meaningful partnership with any relevant agency serving students with intellectual disabilities, such as a vocational rehabilitation agency.

**Competitive Priority 2:**

Applicants that demonstrate that their IHE provides institutionally owned or operated housing for students attending the institution that integrates students

with intellectual disabilities into the housing offered to all students.

**Competitive Priority 3:**

Applicants that propose to involve undergraduate or graduate students attending the IHE who are studying special education, general education, vocational rehabilitation, assistive technology, or related fields in the model program.

**Invitational Priority:** For FY 2010 this priority is an invitational priority. Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

Applicants that demonstrate that the institution will use TPSID funds to extend or enhance an existing program, rather than to supplant other non-Federal resources that are allocated to the program. Applicants responding to this priority should describe any existing programs at their institutions, including the number and characteristics of the students served, the staffing and budget for the program, how well students with intellectual disabilities are integrated with students without disabilities in regard to academic courses, extracurricular activities and other aspects of the IHE's regular postsecondary program, and describe how the TPSID grant will build upon current efforts.

**Applicable Statutory Definitions:**  
**Comprehensive transition and postsecondary program for students with intellectual disabilities** (section 760(1) of the HEA).

The term "comprehensive transition and postsecondary program for students with intellectual disabilities" means a degree, certificate, or nondegree program that meets each of the following:

(A) Is offered by an institution of higher education.

(B) Is designed to support students with intellectual disabilities who are seeking to continue academic, career and technical, and independent living instruction at an institution of higher education in order to prepare for gainful employment.

(C) Includes an advising and curriculum structure.

(D) Requires students with intellectual disabilities to participate on not less than a half-time basis as determined by the institution, with such participation focusing on academic components, and occurring through one or more of the following activities:

(i) Regular enrollment in credit-bearing courses with nondisabled students offered by the institution.

(ii) Auditing or participating in courses with nondisabled students offered by the institution for which the student does not receive regular academic credit.

(iii) Enrollment in noncredit-bearing, nondegree courses with nondisabled students.

(iv) Participation in internships or work-based training in settings with nondisabled individuals.

(E) Requires students with intellectual disabilities to be socially and academically integrated with nondisabled students to the maximum extent possible.

**Student with an intellectual disability** (section 760(2) of the HEA). The term "student with an intellectual disability" means a student—

(A) With mental retardation or a cognitive impairment, characterized by significant limitations in—

(i) Intellectual and cognitive functioning; and

(ii) Adaptive behavior as expressed in conceptual, social, and practical adaptive skills; and

(B) Who is currently, or was formerly, eligible for a free appropriate public education under IDEA.

**Waiver of Proposed Rulemaking:** Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed priorities. Section 437(d)(1) of GEPA, however, allows the Secretary to exempt from rulemaking requirements regulations governing the first grant competition under a new or substantially revised program authority. This is the first grant competition for this program under section 767 of the HEA, (20 U.S.C. 1140G) and therefore qualifies for this exemption. To ensure timely grant awards, the Secretary has decided to forego public comment on the absolute priority under section 437(d)(1) of GEPA. This priority will apply to the FY 2010 grant competition and any subsequent year in which we make awards from the list of unfunded applicants from this competition.

**Program Authority:** 20 U.S.C. 1140G.

**Applicable Regulations:** The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 82, 84, 85, 86, 97, 98, and 99.

**Note:** The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

3. *Submission Dates and Times:*  
*Applications Available:* June 30, 2010.  
*Deadline for Transmittal of Applications:* July 30, 2010.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) accessible through the Department’s e-Grants site. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. *Other Submission Requirements* of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other

requirements and limitations in this notice.

4. *Intergovernmental Review:* This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. *Funding Restrictions:* We specify unallowable costs in 34 CFR part 75. We reference additional regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry:* To do business with the Department of Education, (1) you must have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); (2) you must register both of those numbers with the Central Contractor Registry (CCR), the Government’s primary registrant database; and (3) you must provide those same numbers on your application.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>).

7. *Other Submission Requirements:* Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in

accordance with the instructions in this section.

*a. Electronic Submission of Applications.*

Applications for grants under the TPSID program—CFDA number 84.407A must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following

forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- Print SF 424 from e-Application.

- The applicant's Authorizing Representative must sign this form.

- Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.

- Fax the signed SF 424 to the Application Control Center at (202) 245-6272.

- We may request that you provide us original signatures on other forms at a later date.

*Application Deadline Date Extension in Case of e-Application Unavailability:* If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

- You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before

granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see section VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

*Exception to Electronic Submission Requirement:* You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to e-Application; and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Shedita Alston, U.S. Department of Education, 1990 K Street, NW., room 6131, Washington, DC 20006-8524. FAX: (202) 502-7675.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

## V. Application Review Information

1. *Selection Criteria:* The selection  
criteria for this program are from 34 CFR  
75.210 and are listed in the application  
package.

2. *Review and Selection Process:*  
Based on section 767(c)(1) and (2) of the  
HEA, additional factors we consider in  
selecting an application for an award are  
as follows: ensuring an equitable  
geographic distribution of grants, and  
providing grant funds to projects that  
will serve areas that are underserved by  
programs of this type.

## VI. Award Administration Information

1. *Award Notices:* If your application  
is successful, we notify your U.S.  
Representative and U.S. Senators and  
send you a Grant Award Notification  
(GAN). We may notify you informally,  
also.

If your application is not evaluated or  
not selected for funding, we will notify  
you.

2. *Administrative and National Policy  
Requirements:* We identify  
administrative and national policy  
requirements in the application package  
and reference these and other  
requirements in the *Applicable  
Regulations* section of this notice.

We reference the regulations outlining  
the terms and conditions of an award in  
the *Applicable Regulations* section of  
this notice and include these and other  
specific conditions in the GAN. The  
GAN also incorporates your approved  
application as part of your binding  
commitments under the grant.

3. *Reporting:* At the end of your  
project period, you must submit a final  
performance report, including financial  
information, as directed by the  
Secretary. If you receive a multi-year  
award, you must submit an annual  
performance report that provides the  
most current performance and financial  
expenditure information as directed by  
the Secretary under 34 CFR 75.118. The  
Secretary may also require more  
frequent performance reports under 34  
CFR 75.720(c). For specific  
requirements on reporting, please go to  
[http://www.ed.gov/fund/grant/apply/  
appforms/appforms.html](http://www.ed.gov/fund/grant/apply/appforms/appforms.html).

4. *Performance Measures:* The  
Government Performance and Results  
Act (GPRA) of 1993 directs Federal  
departments and agencies to improve  
the effectiveness of their programs by  
engaging in strategic planning, setting  
outcome-related goals for programs, and  
measuring program results against those  
goals. The goal of the TPSID program is  
to promote the successful transition of

students with intellectual disabilities  
into higher education and to enable  
institutions of higher education (or  
consortia of institutions of higher  
education), to create or expand high  
quality, inclusive model comprehensive  
transition and postsecondary programs  
for students with intellectual  
disabilities. To assess the success of the  
grantees in meeting this goal, grantees  
will be required to submit annual  
performance reports to the Secretary,  
including documentation of: Resource  
inputs, including sources of student  
financial assistance and contributions  
from vocational rehabilitation and other  
service agencies; student characteristics;  
program staffing; and student academic,  
social, and employment outcomes. In  
accordance with section 767(d)(5) of the  
HEA, grantees will be required to  
participate in evaluation activities  
conducted by the coordinating center  
established by section 777(b) of the  
HEA. As part of these reports and  
evaluation activities, grantees will be  
expected to work closely with the  
coordinating center to develop  
performance measures most closely  
aligned with activities that promote the  
successful transition of students with  
disabilities into higher education.

#### I. Funding Opportunity Description

**Purpose of Program:** The purpose of this program is to encourage institutions of higher education (IHEs) to develop model programs to support veteran student success in postsecondary education by coordinating services to address the academic, financial, physical, and social needs of veteran students.

**Priorities:** This notice contains one absolute priority and one invitational priority. In accordance with 34 CFR 75.105(b)(2)(iv), the absolute priority is from section 873 of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1161t).

**Absolute Priority:** For FY 2010 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Projects that include the following required activities:

Establishing a Center of Excellence for Veteran Student Success on the campus of the institution to provide a single point of contact to coordinate comprehensive support services for veteran students; establishing a veteran student support team, including representatives from the offices of the institution responsible for admissions, registration, financial aid, veterans benefits, academic advising, student health, personal or mental health counseling, career advising, disabilities services, and any other office of the institution that provides support to veteran students on campus; providing

a coordinator whose primary responsibility is to coordinate the model program; monitoring the rates of veteran student enrollment, persistence, and completion; and developing a plan to sustain the Center of Excellence for Veteran Student Success after the grant period.

**Invitational Priority:** Under this competition we are particularly interested in applications that address the following invitational priority. Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

Projects that detail specific steps that will be taken to recruit, retain, and graduate veterans from groups with college completion rates that are below the national average—such as English language learners and homeless veterans—as well as veterans who are members of groups that have traditionally been underrepresented in postsecondary education based on race, color, national origin, gender, or disability.

**Program Authority:** 20 U.S.C. 1161t.

**Applicable Regulations:** The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 82, 84, 85, 86, 97, 98, and 99.
