

Under this competitive solicitation, EDA will consider applications submitted only by applicants with the current capacity to undertake research that advances innovation in economic development practice or theory, and that have the potential for impact on a regional or national scale. See section 3 of PWEDA (42 U.S.C. 3122) and 13 CFR 300.3 and 306.2.

Selection Factors: The Assistant Secretary, as the Selecting Official, expects to fund the highest ranking application submitted under this competitive solicitation. However, if EDA does not receive satisfactory applications, the Assistant Secretary may not make any selection. Depending on the quality of the applications received, the Assistant Secretary may select more than one application. Also, the Assistant Secretary may select an application out of rank order for the following reasons: (1) A determination that the selected application better meets the overall objectives of sections 2 and 207 of PWEDA (42 U.S.C. 3121 and 3147); (2) the applicant's performance under previous awards; or (3) the availability of funds.

The Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements: Administrative and national policy requirements for all Department of Commerce awards are contained in the *Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements*, published in the **Federal Register** on February 11, 2008 (73 FR 7696).

Paperwork Reduction Act: This request for applications contains collections of information subject to the requirements of the Paperwork Reduction Act (PRA). The Office of Management and Budget (OMB) has approved the use of Form ED-900 (*Application for Investment Assistance*) under control number 0610-0094. Forms SF-424 (*Application for Federal Assistance*); SF-424A (*Budget Information—Non-Construction Programs*); SF-424B (*Assurances—Non-Construction Programs*); SF-LLL (*Disclosure of Lobbying Activities*); and CD-346 (*Applicant for Funding Assistance*) are approved under OMB control numbers 4040-0004, 4040-0006, 4040-0007, 0348-0046, and 0605-0001, respectively. Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA unless the collection of information displays a currently valid OMB control number.

Executive Order 12866: This notice has been determined to be not significant for purposes of Executive Order 12866.

Executive Order 13132: It has been determined that this notice does not contain "policies that have Federalism implications," as that phrase is defined in Executive Order 13132.

Administrative Procedure Act/Regulatory Flexibility Act: Prior notice and an opportunity for public comments are not required by the Administrative Procedure Act or any other law for rules concerning grants, benefits, and contracts (5 U.S.C. 553(a)(2)). Because notice and opportunity for comment are not required pursuant to 5 U.S.C. 553 or any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are inapplicable. Therefore, a regulatory flexibility analysis is not required and one has not been prepared.
