Notice of Receipt of Request To Amend the Presidential Permit for an International Bridge on the U.S.-Mexico Border at Eagle Pass, Texas and Piedras Negras, Coahuila, Mexico

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: The Department of State hereby gives notice that, on June 1, 2010, it received from Eagle Pass, Texas, a request to amend the Presidential permit that the Department issued in 1996 for the Eagle Pass II International Bridge on the U.S.-Mexico border at Eagle Pass, Texas and Piedras Negras, Coahuila, Mexico. The permittee proposes to revise article 10 of the permit so it may begin to collect rent from the Federal government for the continued use of the bridge's inspection facilities.

Article 10 states that "[t]he permittee shall provide to the United States Customs Service and to other Federal Inspection Agencies, as appropriate, at no cost to the Federal government, temporary inspectional facilities, at a mutually agreed upon site, that are adequate and acceptable to the Federal Inspection Agencies. In providing the inspectional facilities, including selection of the site, the permittee shall fully comply with all National Environmental Policy Act and National Historic Preservation Act mitigation provisions and stipulations."

¹¹ The Commission believes that a 10-day comment period is reasonable, given the urgency of the matter. It will provide adequate time for comment.
