II. What Action is EPA Taking?

Section 25(a)(2) of FIFRA provides that the Administrator must provide the Secretary of Agriculture with a copy of any draft proposed rule at least 60 days before signing it for publication in the **Federal Register**. Similarly, section 21(b) of FIFRA provides that the Administrator must provide the Secretary of Health and Human Services with a copy of any draft proposed rule pertaining to a public health pesticide at least 60 days before signing it for publication in the **Federal Register**. The draft proposed rule is not available to the public until after it has been signed by EPA. If either Secretary comments in writing regarding the draft proposed rule within 30 days after receiving it, the Administrator shall include in the proposed rule when published in the **Federal Register** the comments of the Secretary and the Administrator's response to those comments. If the Secretary does not comment in writing within 30 days after receiving the draft proposed rule, the Administrator may sign the proposed regulation for publication in the **Federal Register** anytime after the 30-day period.

III. Do Any Statutory and Executive Order Reviews Apply to this Notification?

No. This document is not a proposed rule; it is merely a notification of submission to the Secretaries of Agriculture and Health and Human Services. As such, none of the regulatory assessment requirements apply to this document.
