would be responsible for identification of funding sources and for developing a financial plan sufficient to design, build and implement passenger rail service on the Cotton Belt Corridor.

Various funding alternatives are under consideration. The proposed project may be funded through a combination of local funds and funds appropriated to the NCTCOG from the FTA Urbanized Area Formula Program (UAFP) under 49 U.S.C. 5307 (Section 15). This program (49 U.S.C. 5307) makes Federal resources available to urbanized areas and to Governors for transit capital and operating assistance in urbanized areas and for transportation related planning. NCTCOG may consider requesting additional funding to help construct the project through various state and Federal programs. NCTCOG is also seeking innovative financing alternatives that may include private sector partners.

The EIS will be prepared in accordance with NEPA (42 U.S.C. 4321 et seq.) of 1969 and the regulations implementing NEPA set forth in 40 CFR Parts 1500–1508 and 23 CFR Part 771, as well as provisions of the enacted Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA–LU).

Issued on: June 29, 2010.

Consistent with this goal and with principles of economy and efficiency in government, it is FTA policy to limit insofar as possible distribution of complete printed sets of environmental documents. Accordingly, unless a specific request for a complete printed set of environmental documents is received (preferably in advance of printing), FTA and its grantees will distribute only the executive summary of the environmental document together with a Compact Disc of the complete environmental document. A complete printed set of the environmental document will be available for review at DART’s offices and elsewhere; an electronic copy of the complete environmental document will also be available on DART’s Web page.

VIII. Other

DART and the NCTCOG, which is the metropolitan planning organization for the Dallas-Fort Worth region, have entered into a Memorandum of Understanding (MOU) concerning the identification of potential funding sources to implement passenger rail service on the Cotton Belt Corridor. The purpose of the MOU is to outline the roles and responsibilities of each party. DART would be responsible for the preliminary engineering, environmental review process, planning, design and implementation activities. NCTCOG would be responsible for identification of funding sources and for developing a financial plan sufficient to design, build and implement passenger rail service on the Cotton Belt Corridor.
