

Appointment to the Advisory Committee is for a two-year term, renewable for up to two consecutive terms. Members are expected to attend all meetings in-person, as this is necessary for the functioning of this advisory committee. However, the Advisory Committee realizes that unexpected events or extenuating circumstances (e.g., a personal or family emergency) may result in a member's inability to attend a meeting in-person and that attendance through teleconferencing may be necessary. Because attendance through teleconferencing has been a less than optimal means to contribute to the work of the committee, members should make efforts to attend all meetings to the extent that this is possible.

Members must be prepared to work outside of scheduled Committee and subcommittee meetings and may be required to assist in document preparation. Committee members serve on a voluntary basis; however, travel reimbursement and per diem reimbursement are available.

Regarding Nominees Who Are Selected

All SGE and Federal government employee nominees who are selected must complete the Office of Government Ethics (OGE) 450 Confidential Financial Disclosure Report before rendering any advice or prior to their first meeting. All members will be reviewed for conflict of interest pursuant to 18 U.S.C. 208 in relation to specific NACMCF work charges. Financial disclosure updates will be required annually. Members must report any changes in financial holdings requiring additional disclosure. OGE 450 forms are available on-line at: http://www.usoge.gov/forms/form_450.aspx.

USDA Nondiscrimination Statement

USDA prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, or audiotape.) should contact USDA's Target Center at 202-720-2600 (voice and TTY).

To file a written complaint of discrimination, write USDA, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW., Washington, DC 20250-9410 or call 202-720-5964 (voice and TTY). USDA is an equal opportunity provider and employer.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that minorities, women, and persons with disabilities are aware of this notice, FSIS will announce it online through the FSIS Web page located at http://www.fsis.usda.gov/regulations_&_policies/2010_Notices_Index/index.asp.

FSIS will also make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to constituents and stakeholders. The Update is communicated via Listserv, a free electronic mail subscription service for industry, trade groups, consumer interest groups, health professionals, and other individuals who have asked to be included. The Update is also available on the FSIS Web page. Through the Listserv and Web page, FSIS is able to provide information to a much broader and more diverse audience. In addition, FSIS offers an electronic mail subscription service which provides automatic and customized access to selected food safety news and information. This service is available at http://www.fsis.usda.gov/news_and_events/email_subscription/. Options range from recalls to export information to regulations, directives and notices. Customers can add or delete subscriptions themselves, and have the option to password protect their accounts. Done at Washington, DC, on July 2, 2010.

Alfred V. Almanza,
Administrator.

DEPARTMENT OF AGRICULTURE

Animal and Plant Health Inspection Service

[Docket No. APHIS-2010-0027]

Notice of Availability of a Pest Risk Analysis for Importation of Wall Rocket Leaves from the United Kingdom into the Continental United States

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Notice.

SUMMARY: We are advising the public that we have prepared a pest risk analysis with respect to perennial wall rocket leaves grown in the United Kingdom. The analysis evaluates the risks associated with the importation into the continental United States of fresh leaves of perennial wall rocket. Based on that analysis, we believe that the application of one or more designated phytosanitary measures will be sufficient to mitigate the risks of introducing or disseminating plant pests or noxious weeds via the importation of wall rocket leaves from the United Kingdom. We are making the pest risk analysis available to the public for review and comment.

DATES: We will consider all comments that we receive on or before September 7, 2010.

ADDRESSES: You may submit comments by either of the following methods:

- Federal eRulemaking Portal: Go to (<http://www.regulations.gov/fdmspublic/component/main?main=DocketDetail&d=APHIS-2010-0027>) to submit or view comments and to view supporting and related materials available electronically.

- Postal Mail/Commercial Delivery: Please send one copy of your comment to Docket No. APHIS-2010-0027, Regulatory Analysis and Development, PPD, APHIS, Station 3A-03.8, 4700 River Road Unit 118, Riverdale, MD 20737-1238. Please state that your comment refers to Docket No. APHIS-2010-0027.

Reading Room: You may read any comments that we receive on this docket in our reading room. The reading room is located in room 1141 of the USDA South Building, 14th Street and Independence Avenue SW., Washington, DC. Normal reading room hours are 8 a.m. to 4:30 p.m., Monday through Friday, except holidays. To be sure someone is there to help you, please call (202) 690-2817 before coming.

Other Information: Additional information about APHIS and its programs is available on the Internet at (<http://www.aphis.usda.gov>).

FOR FURTHER INFORMATION CONTACT: Ms. Claudia Ferguson, Regulatory Policy Specialist, Regulatory Coordination and Compliance, PPQ, APHIS, 4700 River Road Unit 133, Riverdale, MD 20737-1236; (301) 734-0627.

SUPPLEMENTARY INFORMATION:

Background

Under the regulations in "Subpart-Fruits and Vegetables" (7 CFR 319.56-1 through 319.56-50, referred to below as the regulations), the Animal and Plant

Health Inspection Service (APHIS) of the U.S. Department of Agriculture prohibits or restricts the importation of fruits and vegetables into the United States from certain parts of the world to prevent plant pests from being introduced into and spread within the United States.

Section 319.56-4 contains a performance-based process for approving the importation of commodities that, based on the findings of a pest risk analysis, can be safely imported subject to one or more of the designated phytosanitary measures listed in paragraph (b) of that section. These measures are:

- The fruits or vegetables are subject to inspection upon arrival in the United States and comply with all applicable provisions of § 319.56-3;

- The fruits or vegetables are imported from a pest-free area in the country of origin that meets the requirements of § 319.56-5 for freedom from that pest and are accompanied by a phytosanitary certificate stating that the fruits or vegetables originated in a pest-free area in the country of origin;

- The fruits or vegetables are treated in accordance with 7 CFR part 305;

- The fruits or vegetables are inspected in the country of origin by an inspector or an official of the national plant protection organization of the exporting country, and have been found free of one or more specific quarantine pests identified by the risk analysis as likely to follow the import pathway; and/or

- The fruits or vegetables are a commercial consignment.

APHIS received a request from the Government of the United Kingdom to allow the importation of fresh leaves of perennial wall rocket from the United Kingdom into the United States. We have completed a pest risk assessment to identify pests of quarantine significance that could follow the pathway of importation into the continental United States and, based on that pest risk assessment, have prepared a risk management document to identify phytosanitary measures that could be applied to the commodity to mitigate the pest risk. We have concluded that perennial wall rocket leaves can be safely imported into the continental United States from the United Kingdom using one or more of the five designated phytosanitary measures listed in § 319.56-4(b). Therefore, in accordance with § 319.56-4(c), we are announcing the availability of our pest risk analysis for public review and comment. The pest risk analysis may be viewed on the Regulations.gov Web site or in our reading room (see **ADDRESSES** above for

instructions for accessing Regulations.gov and information on the location and hours of the reading room). You may request paper copies of the pest risk analysis by calling or writing to the person listed under **FOR FURTHER INFORMATION CONTACT**. Please refer to the subject of the pest risk analysis that you wish to review when requesting copies.

After reviewing the comments we receive, we will announce our decision regarding the import status of wall rocket leaves from the United Kingdom in a subsequent notice. If the overall conclusions of the analyses and the Administrator's determination of risk remain unchanged following our consideration of the comments, then we will begin issuing permits for importation of fresh leaves of perennial wall rocket from the United Kingdom into the continental United States subject to the requirements specified in the risk management analyses.

Authority: 7 U.S.C. 450, 7701-7772, and 7781-7786; 21 U.S.C. 136 and 136a; 7 CFR 2.22, 2.80, and 371.3.

Done in Washington, DC, this 30th day of June 2010.

Kevin Shea

Acting Administrator, Animal and Plant Health Inspection Service.
