prohibit modification of the information without authorization.

2. Each licensee who obtains a criminal history record on an individual pursuant to this Order shall establish and maintain a system of files and procedures, for protecting the record and the personal information from unauthorized disclosure.

3. The licensee may not disclose the record or personal information collected and maintained to persons other than the subject individual, his/her representative, or to those who have a need to access the information in performing assigned duties in the process of determining suitability for unescorted access to the protected area of an ISFSI. No individual authorized to have access to the information may re-disseminate the information to any other individual who does not have the appropriate need to know.

4. The personal information obtained on an individual from a CHRC may be transferred to another licensee if the gaining licensee receives the individual’s written request to re-disseminate the information contained in his/her file, and the gaining licensee verifies information such as the individual’s name, date of birth, social security number, sex, and other applicable physical characteristics for identification purposes.

5. The licensee shall make criminal history records, obtained under this section, available for examination by an authorized representative of the NRC to determine compliance with the regulations and laws.

REGULATIONS AND LAWS.

The licensee shall make criminal history records, obtained under this section, available for examination by an authorized representative of the NRC to determine compliance with the regulations and laws.

Commission.

15791) “Risk Informed Evaluation of Extensions to Containment Isolation Valve Completion Times (WCAP–15791)”

AGENCY: Nuclear Regulatory Commission (NRC)

ACTION: Notice of availability.

SUMMARY: The NRC is announcing the availability of the proposed model application (with model no significant hazards consideration determination) and model safety evaluation (SE) for plant-specific adoption of Technical Specifications Task Force (TSTF) Traveler TSTF–446, Revision 3, “Risk Informed Evaluation of Extensions to Containment Isolation Valve Completion Times (WCAP–15791).” TSTF–446, Revision 3, is available in the Agencywide Documents Access and Management System (ADAMS) under Accession Number ML080510164. The proposed changes revise Standard Technical Specifications (TS) with respect to completion times for containment isolation valves. This model SE will facilitate expedited approval of plant-specific adoption of TSTF–446, Revision 3.

You can access publicly available documents related to this notice using the following methods:

NRC’s Public Document Room (PDR): The public may examine and have copied for a fee publicly available documents at the NRC’s PDR, Public File Area O1 F21, One White Flint North, 11555 Rockville Pike, Rockville, Maryland.

NRC’s Agencywide Documents Access and Management System (ADAMS): Publicly available documents created or received at the NRC are available electronically at the NRC’s Electronic Reading Room at http://www.nrc.gov/reading-rm/adams.html. From this page, the public can gain entry into ADAMS, which provides text and image files of NRC’s public documents. If you do not have access to ADAMS or if there are problems in accessing the documents located in ADAMS, contact the NRC’s PDR reference staff at 1–800–397–4209, 301–415–4737, or by e-mail to pdr.resource@nrc.gov.

The proposed model application (with model no significant hazards consideration determination) and model SE for plant-specific adoption of TSTF–
POSTAL REGULATORY COMMISSION
[Docket Nos. CP2010–64 and CP2010–65; Order No. 484]

New Postal Products
AGENCY: Postal Regulatory Commission.

ACTION: Notice.

SUMMARY: This Notice provides information on the filing of Docket Nos. CP2010–64 and CP2010–65, for the filing of a revised version of the R2166. The NRC staff is making recommendations to the Commission for approval of the revisions to the R2166. The NRC staff is also making recommendations to the Commission for approval of the revisions to the R2166.

DATES: Comments are due: July 14, 2010.

Commenters who cannot submit their views electronically should contact the person identified in the FOR FURTHER INFORMATION CONTACT section by telephone for advice on alternatives to electronic filing.

FOR FURTHER INFORMATION CONTACT:
Stephen L. Sharman, General Counsel, stephen.sharman@prc.gov.

SUPPLEMENTARY INFORMATION:

I. Introduction
On July 2, 2010, the Postal Service filed a notice announcing that it has entered into two additional Global Expedited Package Services 2 (GEPS) contracts. The Postal Service believes the instant contracts are functionally equivalent to previously submitted GEPS contracts, and are supported by Governors’ Decision No. 08–7, which established prices and classifications for GEPS contracts, a description of applicable GEPS contracts, formulas for prices, an analysis and certification of the formulas and certification of the Governors’ vote; and the Postal Service also contends that in Docket No. CP2009–50 in terms of the product being offered, the market in which it is offered, and its cost characteristics. See also id. at 6. “(T)he relevant cost and market characteristics are similar, if not the same, for these two contracts and the baseline GEPS 2 contract.” The Postal Service also contends that its filings demonstrate that each of the new GEPS 2 contracts complies with the requirements of 39 U.S.C. 3633. It requests that the contracts be included within the GEPS 2 product.

II. Notice of Filing
