The use of a right-of-way or interagency or cooperative agreement would not adequately protect the Federal investment in the Barrow Base Line Observatory and the Barrow Magnetic Observatory.

There are no suitable alternative sites available since the Barrow Base Line Observatory and the Barrow Magnetic Observatory are already constructed on the above-referenced public land.

No water rights would be needed to fulfill the purpose of the requested withdrawal extension.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal extension may present their views in writing to the BLM Alaska State Director at the address in the **ADDRESSES** section of this notice. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal extension. All interested parties who desire a public meeting for the purpose of being heard on the proposed withdrawal extension must submit a written request to the BLM Alaska State Director by October 13, 2010. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and at least one local newspaper at least 30 days before the scheduled date of the meeting.

The withdrawal extension proposal will be processed in accordance with the regulations set forth in 43 CFR 2310.4 and subject to Section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714 and subject

to Section 810 of the Alaska National Interest Lands Conservation Act, 16 U.S.C. 3120.

#### INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–670]

#### In the Matter of Certain Adjustable Keyboard Support Systems and Components Thereof; Notice of Commission Determination of No Violation of Section 337; Termination of the Investigation

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined that there is no violation of 19 U.S.C. 1337 by respondents in the above-referenced investigation. The investigation is terminated.

**FOR FURTHER INFORMATION CONTACT:** Jia Chen, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 708–4737.

Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205–2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on March 13, 2009 based on a complaint filed by Humanscale Corporation (“Humanscale”) of New York, New York, 74 FR 10963 (Mar. 13, 2009). The complaint, as amended, named CompX International, Inc., of Dallas, Texas and Waterloo Furniture Components Limited, of Ontario, Canada (collectively, “CompX”) as respondents. The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain adjustable keyboard support systems and components thereof that infringe certain claims of U.S. Patent No. 5,292,097 (“the ‘097 patent”).

On February 23, 2010, the ALJ issued a final ID, including his recommended determination on remedy and bonding. In his ID, the ALJ found that CompX's “Wedge-Brake” products do not infringe either claims 7 or 34. The ALJ found that CompX's “Brake-Shoe” products, on the other hand, do infringe claims 7 and 34, but that respondents established that claim 7 is invalid because it is obvious under 35 U.S.C. 103. The ALJ further found that respondents have not established the defense of intervening rights. Finally, the ALJ found that complainant proved the existence of a domestic industry in the United States. Accordingly, the ALJ recommended that the Commission issue a limited exclusion order barring entry into the United States of infringing adjustable keyboard support systems and components thereof. The ALJ further recommended the issuance of a cease and desist order against respondent Waterloo Furniture Components Ltd.

On March 9, 2010, Humanscale, CompX, and the Commission investigative attorney (“IA”) each filed a petition for review of the ALJ's final ID. On April 26, 2010, the Commission determined to review a portion of the ALJ's ID and requested briefing from the parties on the issues under review and on remedy, the public interest, and bonding. On May 17, 2010, Humanscale, CompX, and the IA each filed responses to the Commission's request for written submissions. On May 27, 2010, Humanscale, CompX and the IA filed reply submissions. On June 14, 2010, CompX filed a surreply to Humanscale's reply submission.

Having examined the record of this investigation, including the ALJ's ID and the submissions of the parties, the Commission has determined to reverse the ALJ's determination that the respondents violated section 337. The Commission finds the asserted claims are not infringed and are invalid.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.45 of the Commission's Rules of Practice and Procedure (19 CFR 210.45).

By order of the Commission.

Issued: July 9, 2010.
