

Regulatory Information Management Services, Office of Management invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995 (Pub. L. 104–13).

DATES: Interested persons are invited to submit comments on or before August 16, 2010.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Education Desk Officer, Office of Management and Budget, 725 17th Street, NW., Room 10222, New Executive Office Building, Washington, DC 20503, be faxed to (202) 395–5806 or e-mailed to oir_submission@omb.eop.gov with a cc: to ICDocketMgr@ed.gov.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

DEPARTMENT OF ENERGY

Proposed Agency Information Collection

AGENCY: Department of Energy.

ACTION: Notice and request for OMB review and comment.

SUMMARY: The Department of Energy (DOE) has submitted the following information collection request (ICR), utilizing emergency review procedures, to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. DOE invites public comment on the subject

proposal: (a) Whether the proposed collection of information is necessary for the proper development of the study, including whether the information shall have practical utility; (b) ways to enhance the quality, utility, and clarity of the information to be collected; and (c) ways to minimize the burden of the collection of information on respondents, including through additional use of information technology.

DATES: Comments regarding this collection must be received on or before August 16, 2010. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, please advise the DOE Desk Officer at OMB of your intention to make a submission as soon as possible. The Desk Officer may be telephoned at 202–395–4650.

ADDRESSES: Written comments should be sent to:

DOE Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10102, 735 17th Street, NW., Washington, DC 20503.

And to

Peter Whitman, Office of Policy and International Affairs, PI–42, Department of Energy, 1000 Independence Ave., SW., Washington DC 20585, 202–586–1010, fax 202–586–5391, peter.whitman@hq.doe.gov.

FOR FURTHER INFORMATION CONTACT:

Peter Whitman, 202–586–1010, peter.whitman@hq.doe.gov. The collection instrument may be found at <http://www.pi.energy.gov>.

SUPPLEMENTARY INFORMATION: This information collection request contains: (1) OMB No. New; (2) *Information Collection Request Title:* RFS2 Small Refinery Survey 2010; (3) *Type of Request:* New collection; (4) *Purpose:* The Department of Energy is preparing a study to determine if small refiners would suffer "disproportionate economic hardship" through compliance with the Renewable Fuel Standard (RFS). This optional survey allows respondents to submit data that will provide technical support for a determination of disproportionate economic hardship. Upon such a determination from DOE, EPA may extend the exemption from compliance with the RFS program for at least two years. (5) *Number of Respondents:* 50, this is a one-time collection; (6) *Estimated Number of Total Responses:* 50; (7) *Estimated Number of Burden*

Hours: 15; (8) *Estimated Reporting and Recordkeeping Cost Burden*: None.

Statutory Authority: Section 211(o)(9)(A)(ii) of the Clean Air Act, as amended by the Energy Policy Act of 2005 (EPACT 2005), requires that DOE conduct a study for the Administrator of the Environmental Protection Agency (EPA) assessing whether the renewable fuel standard (RFS) would impose a "disproportionate economic hardship" on small refineries. This survey will provide technical information to support the study.

Issued in Washington, DC on July 8, 2010.

Carmen Difiglio,

Deputy Assistant Secretary for Policy Analysis, Office of Policy and International Affairs.

SUPPLEMENTARY INFORMATION: The Biomass Research and Development Act of 2000 (Biomass Act) [Pub. L. 106-224] requires cooperation and coordination in biomass research and development (R&D) between the U.S. Department of Agriculture (USDA) and U.S. Department of Energy (DOE). The Biomass Act was repealed in June 2008 by section 9001 of the Food, Conservation and Energy Act of 2008 (FCEA) [Pub. L. 110-246, 122 Stat. 1651, enacted June 18, 2008, H.R. 6124].

FCEA section 9008(d) establishes the Biomass Research and Development Technical Advisory Committee (Committee) and lays forth its meetings, coordination, duties, terms and membership types. The Committee must meet quarterly and should not duplicate the efforts of other Federal advisory committees. The Committee advises the

DOE and USDA points of contact with respect to the Biomass R&D Initiative (Initiative) and also makes written recommendations to the Biomass R&D Board (Board). Those recommendations regard whether: (A) Initiative funds are distributed and used consistent with Initiative objectives; (B) solicitations are open and competitive with awards made annually; (C) objectives and evaluation criteria of the solicitations are clear; and (D) the points of contact are funding proposals selected on the basis of merit, as determined by an independent panel of qualified peers.

The Committee members may serve up to two, three year terms and must include: (A) An individual affiliated with the biofuels industry; (B) an individual affiliated with the biobased industrial and commercial products industry; (C) an individual affiliated with an institution of higher education who has expertise in biofuels and biobased products; (D) 2 prominent engineers or scientists from government or academia who have expertise in biofuels and biobased products; (E) an individual affiliated with a commodity trade association; (F) 2 individuals affiliated with environmental or conservation organizations; (G) an individual associated with State government who has expertise in biofuels and biobased products; (H) an individual with expertise in energy and environmental analysis; (I) an individual with expertise in the economics of biofuels and biobased products; (J) an individual with expertise in agricultural economics; (K) an individual with expertise in plant biology and biomass feedstock development; (L) an individual with expertise in agronomy, crop science, or soil science; and (M) at the option of the points of contact, other members (REF: FCEA 2008 section 9008(d)(2)(A)). All nominees will be carefully reviewed for their expertise, leadership, and relevance to an expertise. Appointments will be made for three-year terms as dictated by the legislation.

Nominations this year are being accepted only for the following categories in order to address the Committee's needs: (C) An individual affiliated with an institution of higher education who has expertise in biofuels and biobased products; (D) 2 prominent engineers or scientists from government or academia who have expertise in biofuels and biobased products; (H) an individual with expertise in energy and environmental analysis; and (M) at the option of the points of contact, other members.

Nominations are solicited from organizations, associations, societies,
