RIN 0648-XX62

Pacific Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public meeting.

SUMMARY: The Pacific Fishery Management Council's (Pacific Council)

Salmon Technical Team (STT) and Habitat Committee (HC) sub-committees will hold a joint meeting to develop a draft assessment of the factors triggering an overfishing concern for SRFC. The report will include analyses of fishing and non-fishing related factors, and recommendations for stock rebuilding. This meeting of the STT and HC sub-committees is open to the public.

DATES: The meeting will be held Tuesday, August 31, 2010, from 8:30 a.m. to 4:30 p.m.

ADDRESSES: The meeting will be held at the California Department of Fish and Game, 474 Aviation Blvd., Suite 130, Santa Rosa, CA 95403.

FOR FURTHER INFORMATION CONTACT: Mr. Chuck Tracy, Salmon Management Staff Officer, Pacific Council; telephone: (503) 820-2280.

SUPPLEMENTARY INFORMATION: The purpose of the meeting is to update a report assessing the cause of SRFC failing to meet the 122,000 adult spawner conservation objective, and the implication to the long-term productivity of the stock not meeting that objective, for three consecutive years.

When a salmon stock managed by the Pacific Council fails to meet its conservation objective for three consecutive years, an overfishing concern is triggered according to the terms of the Pacific Coast Salmon Plan (Salmon Plan). The Salmon Plan requires the Pacific Council to direct its STT and HC to undertake a review of the status of the stock in question and determine if excessive harvest was responsible for the shortfall, if other factors were involved, and the significance of the stock depression with regard to achieving maximum sustainable yield. The assessment is scheduled to be completed in time to report to the Pacific Council at its March 2011 meeting.

Although non-emergency issues not contained in the meeting agenda may come before the subcommittees for discussion, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Certain Frozen Warmwater Shrimp from the People's Republic of China: Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* July 20, 2010.

FOR FURTHER INFORMATION CONTACT: Robert Palmer or Kabir Archuletta, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; (202) 482-9068 or (202) 482-2593, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 9, 2010, the Department of Commerce ("Department") published a notice of initiation of an administrative review of the antidumping duty order on certain frozen warmwater shrimp from the People's Republic of China ("PRC") covering the period February 1, 2009 through January 31, 2010. See *Notice of Initiation of Administrative Reviews and Requests for Revocation in Part of the Antidumping Duty Orders on Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam and the People's Republic of China*, 75 FR 18154 (April 9, 2010) ("*Initiation*").

On July 6, 2010, the Ad Hoc Shrimp Trade Action Committee¹ ("Petitioners") withdrew their request for an administrative review of Allied Pacific Aquatic Products Zhanjiang Co. Ltd. and Allied Pacific Food (Dalian) Co., Ltd. Petitioners were the only party to request a review of these companies.

¹ Ad Hoc Shrimp Trade Action Committee ("AHSTAC") is the petitioner in the underlying investigation. The members of AHSTAC are: Nancy Edens; Papa Rod, Inc.; Carolina Seafoods; Bosarge Boats, Inc.; Knight's Seafood Inc.; Big Grapes, Inc.; Versaggi Shrimp Co.; and Craig Wallis.

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. Petitioners' request was submitted within the 90 day period and, thus, is timely. Because Petitioners' withdrawal of requests for review is timely and because no other party requested a review of the aforementioned companies, in accordance with 19 CFR 351.213(d)(1), we are partially rescinding this review with respect to the above listed companies.

Assessment Rates

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. As the companies for which this review has been rescinded have a separate rate, antidumping duties shall be assessed, at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial
