DATES: The effective date of this boundary revision is July 21, 2010.

SUPPLEMENTARY INFORMATION: 16 U.S.C. 460l-(9)(c)(1) provides that, after notifying the House Committee on Natural Resources and the Senate Committee on Energy and Natural Resources, the Secretary of the Interior is authorized to make this boundary

revision upon publication of notice in the **Federal Register**. The Committees have been notified of this boundary revision. Inclusion of these lands within the park boundary will enable the landowner to sell the subject land to the National Park Service. The inclusion and acquisition of this property will enable the Service to expand public visitor uses and provide for additional western trailhead opportunities for the park's "Fort to Sea Trail." Additionally, the boundary revision will provide greater protection of sensitive resources which would be appropriately managed as a part of the national park.

Dated: July 21, 2010.

Acting Regional Director, Pacific West Region.

Consistent with Section 122 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (“CERCLA”), 42 U.S.C. 9622(d), and 28 CFR 50.7, notice is hereby given that on July 16, 2010, the United States lodged a Consent Decree with 163 defendants (each of which is identified in the proposed Decree) in *United States of America v. Alcoa Inc., et al*, Civil No. 2:10-cv-05051-GW (PLAx) (C.D. Cal.), with respect to the Omega Chemical Superfund Site, located in Whittier, Los Angeles County, California (the “Site”).

On July 9, 2010, Plaintiff United States of America (“United States”), on behalf of the United States Environmental Protection Agency (“EPA”) filed a complaint in this matter pursuant to CERCLA Section 107, 42 U.S.C. 9607, seeking recovery of environmental response costs incurred by EPA related to the release or threatened release or disposal of hazardous substances at or from the Site.

Under the proposed Consent Decree, the defendants in the action will implement the Operable Unit One remedy, addressing soil contamination

at the Site, and pay \$1.5 million towards EPA’s unrecovered past response costs. In exchange, the proposed Consent Decree provides a covenant not to sue and contribution protection with respect to the Work, Past Response Costs and Future Response Costs as defined in the proposed Consent Decree.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Acting Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA)

Notice is hereby given that on July 14, 2010, a proposed Consent Decree in the case of *United States v. Blue Tee Corp.*, Civil Action No. 06-05128-DW, with Defendant Blue Tee Corp. was lodged with the United States District Court for the Western District of Missouri.

The United States filed a complaint in December 2006 alleging that Blue Tee Corp. is liable pursuant to Sections 106 and 107 of CERCLA in connection with the Granby Subdistrict of the Newton County Mine Tailings Superfund Site in Missouri. The Court entered a Consent Decree between the United States and Blue Tee Corp. in February 2007 that required Blue Tee Corp. to pay past response costs of \$198,645.11 to EPA and perform a drinking water removal action for the entire Granby Subdistrict. Blue Tee Corp. paid the past costs and has been performing the removal action. This proposed Consent Decree requires Blue Tee Corp. to pay \$600,000 to EPA instead of performing the removal action for the Evergreen Park Subdivision portion of the Granby Subdistrict. Blue Tee Corp. is required to continue the removal action for the rest of the Granby Subdistrict. The 2007 Consent Decree will be terminated upon entry of the proposed Consent Decree.

For thirty (30) days after the date of this publication, the Department of Justice will receive comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O.
