ACTION: Notice: Publication of New and Revised Systems of Records and Standard Disclosures.

SUMMARY: The purpose of this document is to republish and update all existing systems of records in their entirety, to change the name of one system of records and to publish three new systems of records.

DATES: These changes become effective as proposed without further notice on September 24, 2010. We will file a report of these Systems of Records Notices with the Committee on Homeland Security and Governmental Affairs of the Senate; the Committee on Oversight and Government Reform of the House of Representatives; and the Office of Information and Regulatory

Affairs, Office of Management and Budget (OMB).

ADDRESSES: Send comments to Beatrice Ezerski, Secretary to the Board, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092.

FOR FURTHER INFORMATION CONTACT: Mr. Timothy Grant, Chief Privacy Officer, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092; telephone 312-751-4869, or e-mail at *tim.grant@rrb.gov*.

SUPPLEMENTARY INFORMATION: Three new systems of records are included in this notice: RRB-56, Employee Service and Railroad Employer Coverage Determination Files, RRB-57, Employee Emergency Notification System and RRB-58, Employee Tuition Assistance Program (TAP).

We are changing the name of one system of records: RRB-19, Payroll & Cost Accounting System, is being renamed "Transit Benefit Program Records System." The RRB transferred

all pay operations over to the General Services Administration (GSA) National Payroll Center in June 2004. The RRB now only manages payroll deductions for employee transit benefits.

All other existing systems of records have been generally updated for names, titles and other minor changes as a result of the periodic system of records review and to correct inaccuracies in the last privacy issuances by the Government Printing Office. Concerning safeguarding and disposal of all systems of records, the RRB follows Federal Law and Regulations, the National Institute of Science and Technology (NIST) guidelines and best practices, as appropriate. Also, the routine uses in each system of records have been updated to reflect the establishment of RRB standard disclosures.

By Authority of the Board.
Beatrice Ezerski,
Secretary to the Board.
