

submit information required to obtain coverage under the applicable storm water permit, and failing to comply with the requirements of the storm water permit. The Consent Decree requires Defendants to pay a civil penalty of \$150,000, perform a Supplemental Environmental Project, and implement injunctive relief designed to ensure compliance with the Clean Water Act at all its facilities. The Supplemental Environmental Project requires the Defendants to impose a permanent restriction on a parcel of land and offer it as a donation to the Town of Uxbridge, Massachusetts, as well as construct two water quality basins and associated storm water management infrastructure on the Project site. The injunctive relief requires the Defendants to establish the position of storm water manager within the company who will be responsible for storm water compliance; conduct pre-construction inspections and quarterly oversight inspections and reviews using EPA-approved forms at all sites, in addition to required routine inspections; and implement storm water training programs for storm water managers and storm water orientation programs for storm water consultants and contractors.

The Department of Justice will receive comments relating to the Consent Decree for a period of thirty (30) days from the date of this publication. Comments should be addressed to the Deputy Section Chief, Environmental Enforcement Section, Environment and Natural Resources Division, and either e-mailed to pubcommentees.enrd@usdoj.gov or mailed to P.O. Hewlett Packard; Hewlett Packard—Enterprise Business Services Formerly Known as Electronic Data Systems, Including On-Site Leased Workers From Sun Microsystems, Inc., Dell Computer Corp., EMC Corp., EMC Corp. Total, Cisco Systems Capital Corporation, Microsoft Corp., Symantec Corp., Xerox Corp., VMware, Inc., Sun Microsystems Federal, Inc., and ABM Business Machines, Inc., Pontiac, MI; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 25, 2010, applicable to workers of Hewlett Packard, Hewlett Packard—Enterprise Business Services, formerly known as Electronic Data Systems, including on-site leased workers from the above listed firms, Pontiac, Michigan. The petition is dated October 24, 2009. The Department’s Notice of determination was published in the **Federal Register** on March 5, 2010 (75 FR 10322).

The worker group covered by TA-W-72,933 is identical to the worker group covered by an earlier petition (TA-W-71,468; dated June 25, 2009). While it is the Department’s practice to terminate the later petition in order to provide the longest period during which a member of the worker group may apply for Trade Adjustment Assistance (TAA), the Department had delayed the investigation for TA-W-71,468 due to a technical deficiency and continued the investigation for TA-W-72,933. Following the issuance of the certification in TA-W-72,933, the Department issued a Notice of

Termination of Investigation for TA-W-71,468.

An unintended result of the Department’s decision is that a portion of workers covered by TA-W-71,468 (workers separated on/after June 25, 2008) are excluded from the certification of TA-W-72,933 (workers separated on/after October 30, 2008, through January 25, 2012).

Accordingly, the Department is amending this certification to include workers covered by TA-W-71,468.

The intent of the Department’s certification is to include all workers of the subject firm who were adversely affected by the subject firm’s acquisition from a foreign country services like or directly competitive with the services supplied by the workers at the Pontiac, Michigan, facility.

The amended notice applicable to TA-W-72,933 is hereby issued as follows:

All workers of Hewlett Packard, Hewlett Packard Enterprise Services, formerly known as Electronic Data Systems, including on-site leased workers from Sun Microsystems, Inc., Dell Computers Corp., EMC Corp., EMC Corp. Total, Cisco Systems Capital Corp., Microsoft Corp., Symantec Corp., Xerox Corp., VMWare, Inc., Sun Microsystems Federal, Inc., and ABM Business Machines, Inc., Pontiac, Michigan, who became totally or partially separated from employment on or after June 25, 2008, through January 25, 2012, and all workers in the group threatened with total or partial separation from employment on date of certification through January 25, 2012, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed in Washington, DC, this 13th day of July 2010.

Elliott S. Kushner,

Certifying Officer, Division of Trade Adjustment Assistance.
