

cancellation are granted, the Agency intends to publish the cancellation order in the **Federal Register**.

In any order issued in response to these requests for cancellation of product registrations, EPA proposes to include the following provisions for the treatment of any existing stocks of the products listed in Table 1 of Unit III.

Because the Agency has potential risk concerns associated with these pesticide products, upon cancellation of the products identified in Table 1 of Unit III., EPA anticipates allowing registrants to sell and distribute existing stocks of these products until May 2011.

Thereafter, registrants will be prohibited from selling or distributing the pesticides identified in Table 1 of Unit III., except for export consistent with FIFRA section 17 or for proper disposal. Persons other than registrants will generally be allowed to sell, distribute, or use existing stocks until May 2011.

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice of information collection to be submitted to OMB for review and approval under the Paperwork Reduction Act.

SUMMARY: In accordance with requirements of the Paperwork Reduction Act of 1995 ("PRA"), 44 U.S.C. 3501 *et. seq.*, the FDIC may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number. The FDIC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on the renewal of existing information collections, as required by the PRA. On May 18, 2010 (75 FR 27781), the FDIC solicited public comment for a 60-day period on renewal

of the following information collections: Application for Consent to Exercise Trust Powers (3064-0025), and Insurance Sales Consumer Protections (3064-0140). No comments were received. Therefore, the FDIC hereby gives notice of submission of its requests for renewal to OMB for review.

DATES: Comments must be submitted on or before August 27, 2010.

SUPPLEMENTARY INFORMATION:

1. *Title:* Application for Consent to Exercise Trust Powers.

OMB Number: 3064-0025.

Form Number: FDIC 6200/09.

Frequency of Response: On occasion.

Affected Public: Insured State nonmember banks wishing to exercise trust powers.

Estimated Number of Respondents: 15.

Estimated Time per Response for Eligible Depository Institutions: 8 hours.

Estimated Time per Response for Institutions that do not qualify as Eligible Institutions: 24 hours.

Total Annual Burden: 200 hours.

General Description of Collection: FDIC regulations (12 CFR 333.2) prohibit any insured State nonmember bank from changing the general character of its business without the prior written consent of the FDIC. The exercise of trust powers by a bank is usually considered to be a change in the general character of a bank's business if the bank did not exercise those powers previously. Therefore, unless a bank is currently exercising trust powers, it must file a formal application to obtain the FDIC's written consent to exercise

trust powers. State banking authorities, not the FDIC, grant trust powers to their banks. The FDIC merely consents to the exercise of such powers. Applicants use form FDIC 6200/09 to obtain FDIC's consent.

2. *Title:* Consumer Protections for Depository Institution Sales of Insurance.

OMB Number: 3064-0140.

Form Number: None.

Frequency of Response: On occasion.

Affected Public: Insured State nonmember banks that sell insurance products; persons who sell insurance products in or on behalf of insured State nonmember banks.

Estimated Number of Respondents: 3,740.

Estimated Time per Response: 5 hours.

Total Annual Burden: 18,700 hours.

General Description of Collection: Respondents must prepare and provide certain disclosures to consumers (*e.g.*, that insurance products and annuities are not FDIC-insured) and obtain consumer acknowledgments, at two different times: (1) Before the completion of the initial sale of an insurance product or annuity to a consumer; and (2) at the time of application for the extension of credit (if insurance products or annuities are sold, solicited, advertised, or offered in connection with an extension of credit).

Request for Comment: Comments are invited on: (a) Whether these collections of information are necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collections, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collections on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.

Dated at Washington, DC, this 22nd day of July 2010.

Federal Deposit Insurance Corporation.

Executive Secretary.
