

Continuities of oral traditions, ethnographic materials, technology, and architecture indicate the affiliation of Southern Sinaguan sites in Sycamore Canyon with the Hopi Tribe of Arizona.

Officials of the U.S. Department of Agriculture, Forest Service, Coconino National Forest, have determined that, pursuant to 25 U.S.C. 3001(3)(B), the 57 cultural items described above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony and are believed, by a preponderance of the evidence, to have been removed from a specific burial site of a Native American individual. Officials of the U.S. Department of Agriculture, Forest Service, Coconino National Forest, have also determined that, pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the unassociated funerary objects and the Hopi Tribe of Arizona.

Representatives of any other Indian tribe that believes itself to be culturally affiliated with the unassociated funerary objects should contact Dr. Frank E. Wozniak, NAGPRA Coordinator, Southwestern Region, USDA Forest Service, 333 Broadway Blvd., SE., Albuquerque, NM 87102, telephone (505) 842-3238, before August 30, 2010. Repatriation of the unassociated funerary objects to the Hopi Tribe of Arizona may proceed after that date if no additional claimants come forward.

The U.S. Department of Agriculture, Forest Service, Coconino National Forest, is responsible for notifying the Hopi Tribe of Arizona; Yavapai-Prescott Tribe of the Yavapai Reservation, Arizona; and the Zuni Tribe of the Zuni Reservation, New Mexico, that this notice has been published.

Dated: June 22, 2010.

The Bulletin requires agencies to adopt or adapt the committee selection policies employed by the National Academy of Sciences (NAS) when selecting peer reviewers who are not government employees. To fulfill this requirement OSHA has developed a Conflict of Interest and Disclosure Form, based on NAS, Conflict of Interest Disclosure form. This form will be used to determine whether or not a conflict exists for a potential peer review panel member.
