This administrative review is now completed in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). The final net subsidy rate for Borusan and Toscelik is listed below in the “Final Results of Review” section.

SUPPLEMENTARY INFORMATION:

Background

On March 7, 1986, the Department published in the **Federal Register** the CVD order on certain welded carbon steel pipe and tube products from Turkey. See *Countervailing Duty Order: Certain Welded Carbon Steel Pipe and Tube Products From Turkey*, 51 FR 7984 (March 7, 1986). On April 1, 2010, the Department published in the **Federal Register** the preliminary results for this review. See *Preliminary Results*, 75 FR 16439. On June 23 and 24, 2010, the Department verified the questionnaire responses submitted by Borusan. See Memorandum to Melissa Skinner, Director, AD/CVD Operations, Office 3, from the Team, regarding “Verification of the Questionnaire Responses Submitted by the Borusan Group,” (July 7, 2010).² The verification report was released to interested parties on July 8, 2010. See Memorandum to the File from Kristen Johnson, Trade Analyst, AD/CVD Operations, Office 3, regarding “Case and Rebuttal Briefs Schedule,” (July 9, 2010). In the *Preliminary Results*, we invited interested parties to submit case briefs commenting on the

preliminary results or to request a hearing. We did not hold a hearing in this review, as one was not requested, and did not receive any case briefs. We, therefore, have made no revisions to the preliminary results.

Scope of Order

The products covered by this order are certain welded carbon steel pipe and tube with an outside diameter of 0.375 inch or more, but not over 16 inches, of any wall thickness (pipe and tube) from Turkey. These products are currently provided for under the Harmonized Tariff Schedule of the United States (HTSUS) as item numbers 7306.30.10, 7306.30.50, and 7306.90.10. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise is dispositive.

Final Results of Review

As noted above, the Department received no comments concerning the preliminary results. Therefore, consistent with the *Preliminary Results*, we continue to find that Borusan and Toscelik had *de minimis* net countervailable subsidy rates for the POR. In accordance with section 751(a)(1)(A) of the Act, we calculated a total net countervailable subsidy rate of 0.12 percent *ad valorem* for Borusan and 0.09 percent for Toscelik. Pursuant to 19 CFR 351.106(c), these calculated rates are *de minimis*.

As there have been no changes to or comments on the preliminary results, we are not attaching a decision memorandum to this **Federal Register** notice. For further details of the programs included in this proceeding, see *Preliminary Results*.

Assessment Rates/Cash Deposits

The Department intends to issue assessment instructions to U.S. Customs and Border Protection (CBP) 15 days after the date of publication of these final results, to liquidate shipments of subject merchandise by Borusan and Toscelik entered, or withdrawn from warehouse, for consumption on or after January 1, 2008, through December 31, 2008, without regard to countervailing duties because a *de minimis* subsidy rate was calculated for each company. We will also instruct CBP not to collect cash deposits of estimated countervailing duties on shipments of the subject merchandise by Borusan and Toscelik entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.

For all non-reviewed companies, we will instruct CBP to continue to collect

cash deposits at the most recent company-specific or country-wide rate applicable to the company. Accordingly, the cash deposit rates that will be applied to companies covered by this order, but not examined in this review, are those established in the most recently completed administrative proceeding for each company. These rates shall apply to all non-reviewed companies until a review of a company assigned these rates is requested.

Return or Destruction of Proprietary Information

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 23, 2010.

Ronald K. Lorentzen,
Deputy Assistant Secretary for Import Administration.

Folding Metal Tables and Chairs From the People's Republic of China: Initiation of New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* July 29, 2010.

SUMMARY: The Department of Commerce (the “Department”) has determined that a request for a new shipper review of the antidumping duty order on folding metal tables and chairs (“FMTCs”) from the People's Republic of China (“PRC”), received on June 30, 2010, meets the statutory and regulatory requirements for initiation. The period of review (“POR”) of this new shipper review is June 1, 2009, through May 31, 2010.

SUPPLEMENTARY INFORMATION:

Background

The notice announcing the antidumping duty order on FMTCs from the PRC was published in the **Federal Register** on June 27, 2002. See *Antidumping Duty Order: Folding Metal Tables and Chairs From the People's Republic of China*, 67 FR 43277 (June 27, 2002). On June 30, 2010, we received a timely request for a new shipper review from Xinjamei Furniture (Zhangzhou) Co., Ltd. ("Xinjamei") in accordance with 19 CFR 351.214(c) and 351.214(d). Xinjamei has certified that it produced all of the FMTCs it exported, which is the basis for its request for a new shipper review.

Pursuant to the requirements set forth in 19 CFR 351.214(b)(2)(i)(d), 19 CFR 351.214(b)(2)(ii) and 19 CFR 351.214(b)(2)(iii), in its request for a new shipper review, Xinjamei, as an exporter and producer, certified that: (1) It did not export FMTCs to the United States during the period of investigation ("POI"); (2) since the initiation of the investigation, Xinjamei has never been affiliated with any company that exported subject merchandise to the United States during the period of investigation ("POI"); and (3) its export activities were not controlled by the central government of the PRC.

In accordance with 19 CFR 351.214(b)(2)(iv), Xinjamei submitted documentation establishing the following: (1) The date on which it first shipped FMTCs for export to the United States and the date on which the FMTCs were first entered, or withdrawn from warehouse, for consumption; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.

Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the "Act") and 19 CFR 351.214(d)(1), we find that the request submitted by Xinjamei meets the threshold requirements for initiation of a new shipper review for shipments of FMTCs from the PRC produced and exported by Xinjamei. See Memorandum to the File through Wendy Frankel, Office Director, New Shipper Initiation Checklist, dated concurrently with this notice. However, if the information supplied by Xinjamei is later found to be incorrect or insufficient during the course of this

proceeding, the Department may rescind the review or apply adverse facts available, depending upon the facts on record. The POR is June 1, 2009, through May 31, 2010. See 19 CFR 351.214(g)(1)(i)(A). The Department will conduct this review according to the deadlines set forth in section 751(a)(2)(B)(iv) of the Act.

It is the Department's usual practice, in cases involving non-market economies ("NMEs"), to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue questionnaires to Xinjamei, which will include separate rate sections. The review will proceed if the response provides sufficient indication that Xinjamei is not subject to either *de jure* or *de facto* government control with respect to its export of FMTCs.

We will instruct U.S. Customs and Border Protection to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from Xinjamei in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because Xinjamei certified that it both produced and exported the subject merchandise, the sale of which is the basis for this new shipper review request, we will apply the bonding privilege to Xinjamei only for subject merchandise which Xinjamei both produced and exported.

Interested parties requiring access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 19 CFR 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 19 CFR 351.221(c)(1)(i).

Dated: July 23, 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.
