Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and on the Department’s Web site, as required by Section 221 of the Act (19

U.S.C. 2271), the Department initiated investigations of these petitions. The following determinations terminating investigations were issued in cases where these petitions were not filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed by at least three individuals of the

petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

TA-W No.	Subject firm	Location	Impact date
73,522	Nortel Networks, LTD	Richardson, TX.	
73,686	MWH Americas, Inc., Silver City Office, Freeport-McMoran Tyrone Mining, LLC.	Tyrone, NM.	

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

TA-W No.	Subject firm	Location	Impact date
74,295	Diversco Integrated Services, WorldColor Division, Diversco Integrated Services.	Dyersburg, TN.	

I hereby certify that the aforementioned determinations were issued during the period of July 12, 2010 through July 16, 2010. Copies of these determinations may be requested under the Freedom of Information Act. Requests may be submitted by fax, courier services, or mail to FOIA Disclosure Officer, Office of Trade Adjustment Assistance (ETA), U.S. Department of Labor, 200 Constitution Avenue, NW., Washington, DC 20210 or tofoiarequest@dol.gov. These determinations also are available on the Department’s Web site at <http://www.doleta.gov/tradeact> under the searchable listing of determinations.
