Buy American Exceptions Under the American Recovery and Reinvestment Act of 2009

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.
ACTION: Notice.

SUMMARY: In accordance with the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-05, approved February 17, 2009) (Recovery Act), and implementing guidance of the Office of Management and Budget (OMB), this notice advises that certain exceptions to the Buy American requirement of the Recovery Act have been determined applicable for work using Capital Fund Recovery Formula and Competition

(CFRFC) grant funds. Specifically, exemptions were granted to the Tampa Housing Authority for the purchase and installation of tankless hot water heaters at the North Boulevard Homes and mini-split ductless Heating, Ventilation and Air Conditioning (HVAC) systems at the Mary Bethune High Rise, and to the King County Housing Authority for the purchase of energy efficient bathroom ventilation fans.

FOR FURTHER INFORMATION CONTACT: Dominique G. Blom, Deputy Assistant Secretary for Public Housing Investments, Office of Public Housing Investments, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 7th Street, SW., Room 4130, Washington, DC 20410-4000, telephone number 202-402-8500 (this is not a toll-free number). Persons with hearing- or speech-impairments may access this number through TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

SUPPLEMENTARY INFORMATION: Section 1605(a) of the Recovery Act provides that none of the funds appropriated or made available by the Recovery Act may be used for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States. Section 1605(b) provides that the Buy American requirement shall not apply

in any case or category in which the head of a Federal department or agency finds that: (1) Applying the Buy American requirement would be inconsistent with the public interest; (2) iron, steel, and the relevant manufactured goods are not produced in the U.S. in sufficient and reasonably available quantities or of satisfactory quality, or (3) inclusion of iron, steel, and manufactured goods will increase the cost of the overall project by more than 25 percent. Section 1605(c) provides that if the head of a Federal department or agency makes a determination pursuant to section 1605(b), the head of the department or agency shall publish a detailed written justification in the **Federal Register**.

In accordance with section 1605(c) of the Recovery Act and OMB's implementing guidance published on April 23, 2009 (74 FR 18449), this notice advises the public that on the following dates, HUD granted the following two exceptions to the Buy American requirement:

1. *Tampa Housing Authority.* On May 14, 2010, upon request of the Tampa Housing Authority, HUD granted an exception to the applicability of the Buy American requirements with respect to work, using CFRFC grant funds, based on the fact that the relevant manufactured goods (tankless water heaters and mini-split ductless HVAC systems) are not produced in the U.S. in sufficient and reasonably available quantities or of satisfactory quality.

2. *King County Housing Authority*. On June 30, 2010, upon request of the King County Housing Authority, HUD granted an exception to the applicability of the Buy American requirements with respect to work, using CFRFC grant funds, based on the fact that the relevant manufactured goods (energy efficient bathroom ventilation fans) are not produced in the U.S. in sufficient and reasonably available quantities or of satisfactory quality.

Dated: July 21, 2010.

Deborah Hernandez,
General Deputy Assistant Secretary for Public and Indian Housing.
