

testimony must accompany the notification. Remarks at the hearing should be limited to no more than five minutes to allow for possible questions from the TPSC.

All documents should be submitted in accordance with the instructions in section 3 below.

3. Requirements for Submissions

Persons submitting intent to testify and/or comments must do so in English and must identify (on the first page of the submission) "China's WTO Compliance."

In order to ensure the most timely and expeditious receipt and consideration of comments, USTR has arranged to accept on-line submissions via <http://www.regulations.gov>. To submit comments via <http://www.regulations.gov>, enter docket number USTR-2010-0019 on the home page and click "go". The site will provide a search-results page listing all documents associated with this docket. Find a reference to this notice by selecting "Notice" under "Document Type" on the left side of the search-results page, and click on the link entitled "Send a Comment or Submission." (For further information on using the www.regulations.gov <http://www.regulations.gov> Web site, please consult the resources provided on the website by clicking on "How to Use This Site" on the left side of the home page.)

The <http://www.regulations.gov> Web site provides the option of making submissions by filling in a "General Comments" field, or by attaching a document. We expect that most submissions will be provided in an attached document. If a document is attached, it is sufficient to type "See attached" in the "General Comments" field.

Submit any documents containing business confidential information, beginning with the characters "BC". Submit, as a separate submission, a public version of the submission with a file name beginning with the character "P". The "BC" and "P" should be followed by the name of the person or entity submitting the comments. For comments that contain no business confidential information, the file name should begin with the character "P", followed by the name of the person or entity submitting the comments. Electronic submissions should not attach separate cover letters; rather, information that might appear in a cover letter should be included in the comments you submit. Similarly, to the extent possible, please include any exhibits, annexes, or other attachments

to a submission in the same file as the submission itself and not as separate files.

We strongly urge submitters to use electronic filing. If an on-line submission is impossible, alternative arrangements must be made with Ms. Blue prior to delivery for the receipt of such submissions. Ms. Blue may be contacted at (202) 395-3475.

General information concerning USTR may be obtained by accessing its Internet Web site (<http://www.ustr.gov>).
