SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–62587; File No. SR–EDGX–2010–08]

Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend EDGX Rule 11.12

July 29, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on July 22, 2010, the EDGX Exchange, Inc. (the “Exchange” or the “EDGX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to amend EDGX Rule 11.12 to modify potential liability caps applicable under the rule. The text of the proposed rule change is available on the Exchange’s Internet Web site at <http://www.directedge.com>, at the principal office of the Exchange, on the Commission’s Internet Web site at <http://www.sec.gov>, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below.

The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the Exchange provides a limited exception to its general limitation of liability rules that allows for the payment of claims to Users³ for order processing failures on the Exchange. The Exchange proposes to modify its process for allocating such payments and extend the time period for Users to submit such claims. Under the proposal, the Exchange will eliminate the \$100,000 and \$250,000 daily caps on liability and consider all such claims on a monthly basis subject to the already existing \$500,000 monthly liability cap. If the total amount of all claims from all Users in calendar month exceeds the \$500,000 monthly liability cap, the \$500,000 maximum monthly dollar amount will be proportionally allocated among all such claims as set forth in the current rule.

The Exchange is also proposing to extend, until 12 noon ET on the next business day following the day on which the use of the Exchange gives rise to the claim, the time period during which claims seeking compensation must be submitted.

The proposal, in effect, would allow the Exchange an increased capability to compensate a market participant(s) up to the monthly cap of \$500,000 even though the losses occurred on a single day or were across multiple days for a single participant. The expansion of time to make such compensation claims likewise increases the ability of market participants to submit claims in a timely manner. Finally, the Exchange notes that other market centers have rules in place to provide limited compensation for system malfunctions.⁴

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁵

³ Exchange Rule 1.5(cc) defines “User” as “any Member or Sponsored Participant who is authorized to obtain access to the System pursuant to Rule 11.3.”

⁴ See Securities Exchange Act Release No. 60794 (October 6, 2009), 74 FR 52522 (October 13, 2009) (SR–NASDAQ–2009–084) (relating to amendments to NASDAQ Rule 4626); NYSE Arca Equities Rule 13.2; and International Securities Exchange Rule 705.

⁵ 15 U.S.C. 78f.

in general, and Section 6(b)(5) of the Act,⁶ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, to protect investors and the public interest. The proposal, in effect, would allow the Exchange an increased capability to compensate a market participant(s) up to the monthly cap of \$500,000 even though the losses occurred on a single day or were across multiple days for a single participant. The expansion of time to make such compensation claims likewise increases the ability of market participants to submit claims in a timely manner.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b–4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)

⁷ 15 U.S.C. 78s(b)(3)(A)(iii).

of the Act and Rule 19b-4(f)(6)(iii) thereunder.

At any time within the 60-day period beginning on the date of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62596; File No. SR-CBOE-2010-070]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Penny Pilot Program

July 29, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 26, 2010, the Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

CBOE proposes to amend [sic] its rules relating to the Penny Pilot Program. The text of the rule proposal is available on the Exchange's Web site (<http://www.cboe.org/legal>), at the Exchange's Office of the Secretary and at the Commission.

www.cboe.org/legal), at the Exchange's Office of the Secretary and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

CBOE proposes to identify the 75 option classes that will be added to the Penny Pilot Program on August 2, 2010, consistent with CBOE's rule filing to extend and expand the Program that was granted immediate effectiveness on October 22, 2010.³ As described in SR-CBOE-2009-76, the Pilot Program will be expanded by adding 300 option classes, in groups of 75 classes each quarter on the following dates: November 2, 2009, February 1, 2010, May 3, 2010, and August 2, 2010.⁴ The option classes will be identified based on national average daily volume in the six calendar months preceding their addition to the Pilot Program using data compiled by The Options Clearing Corporation, except that the month immediately preceding their addition to the Pilot Program will not be utilized for purposes of the six-month analysis.

The following 75 option classes will be added to the Pilot Program beginning on August 2, 2010:

³ See Securities Exchange Act Release No. 60864 (October 22, 2009), granting immediate effectiveness to SR-CBOE-2009-76.

⁴ The classes to be added are among the most actively-traded, multiply-listed option classes that are not currently in the Pilot Program, excluding option classes with high premiums. An option class would be designated as "high premium" if, at the time of selection, the underlying security was priced at \$200 per share or above, or the underlying index level was at 200 or above.
