July 29, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on July 23, 2010, the International Securities Exchange, LLC (the “Exchange” or the “ISE”) filed with the Securities and Exchange Commission the proposed rule change as described in Items I and II below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to designate 75 options classes to be added to the pilot program to quote and to trade certain options in pennies (the “Penny Pilot”) on August 2, 2010. The text of the proposed rule change is available on the Exchange’s Web site (<http://www.ise.com>), at the principal office of

the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

ISE proposes to identify the next 75 options classes to be added to the Penny Pilot effective August 2, 2010. The Exchange recently received approval to extend and expand the Penny Pilot through December 31, 2010.³ In that filing, the Exchange had proposed expanding the Penny Pilot on a quarterly basis to add the next 75 most actively traded multiply listed options classes based on national average daily volume for the six months prior to selection, closing under \$200 per share on the Expiration Friday prior to expansion, except that the month immediately preceding their addition to the Penny Pilot will not be used for the purpose of the six month analysis.⁴

ISE proposes to add the following 75 options classes to the Penny Pilot on August 2, 2010, based on national average daily volume from January 1, 2010 through June 30, 2010:

In particular, the proposed rule change identifies the options classes to be added to the Penny Pilot in a manner consistent with prior approvals and filings.

The proposed rule change is effective upon filing pursuant to Section 19(b)(3)(A)(i)⁵ of the Exchange Act and Rule 19b-4(f)(1)⁶ thereunder, in that it constitutes a stated policy, practice or interpretation with respect to the meaning, administration or enforcement of an existing rule of the Exchange.

At any time within the 60-day period beginning on the date of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62588; File No. SR-EDGA-2010-08]

Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend EDGA Rule 11.12

July 29, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 22, 2010, the EDGA Exchange, Inc. (the "Exchange" or the "EDGA") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to amend EDGA Rule 11.12 to modify potential liability caps applicable under the rule. The text of the proposed rule change is available on the Exchange's Internet Web site at <http://www.directedge.com>, at the principal office of the Exchange, on the Commission's Internet Web site at <http://www.sec.gov>, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the Exchange provides a limited exception to its general limitation of liability rules that allows for the payment of claims to Users³ for order processing failures on the Exchange. The Exchange proposes to modify its process for allocating such payments and extend the time period for Users to submit such claims. Under the proposal, the Exchange will eliminate the \$100,000 and \$250,000 daily caps on liability and consider all such claims on a monthly basis subject to the already existing \$500,000 monthly liability cap. If the total amount of all claims from all Users in calendar month exceeds the \$500,000 monthly liability cap, the \$500,000 maximum monthly dollar amount will be proportionally allocated among all such claims as set forth in the current rule.

The Exchange is also proposing to extend, until 12 noon ET on the next business day following the day on which the use of the Exchange gives rise to the claim, the time period during which claims seeking compensation must be submitted.

The proposal, in effect, would allow the Exchange an increased capability to compensate a market participant(s) up to the monthly cap of \$500,000 even though the losses occurred on a single day or were across multiple days for a single participant. The expansion of time to make such compensation claims likewise increases the ability of market participants to submit claims in a timely manner. Finally, the Exchange notes that other market centers have rules in

place to provide limited compensation for system malfunctions.⁴

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁵ in general, and Section 6(b)(5) of the Act,⁶ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, to protect investors and the public interest. The proposal, in effect, would allow the Exchange an increased capability to compensate a market participant(s) up to the monthly cap of \$500,000 even though the losses occurred on a single day or were across multiple days for a single participant. The expansion of time to make such compensation claims likewise increases the ability of market participants to submit claims in a timely manner.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) significantly affect the protection of
