SUPPLEMENTARY INFORMATION: On March 1, 2010, the Department published in the **Federal Register** the notice of opportunity to request an administrative review of the antidumping duty order on brass sheet and strip from Germany for the period March 1, 2009, through February 28, 2010. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 75 FR 9162 (March 1, 2010). On March 30, 2010, the Department received a request from Wieland-Werke AG, a German producer and exporter, that the Department conduct an administrative review covering brass sheet and strip from Germany. On April 27, 2010, the Department published in the **Federal Register** the notice of initiation of the 2009-2010 administrative review of brass sheet and strip from Germany. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 75 FR 22107 (April 27, 2010). On June 2, 2010, the Department issued its antidumping duty questionnaire to Wieland-Werke AG. On July 22, 2010, Wieland-Werke AG withdrew its request for an administrative review.

Period of Review

The period of review (POR) is March 1, 2009, through February 28, 2010.

Scope of the Order

The scope of this order covers shipments of brass sheet and strip, other than leaded and tinned, from Germany. The chemical composition of the covered products is currently defined in the Copper Development Association (C.D.A.) 200 Series or the Unified Numbering System (U.N.S.) C2000; this review does not cover products the chemical compositions of which are defined by other C.D.A. or U.N.S. series. In physical dimensions, the products covered by this review have a solid rectangular cross section over 0.006 inches (0.15 millimeters) through 0.188 inches (4.8 millimeters) in finished thickness or gauge, regardless of width. Coiled, wound-on-reels (traverse wound), and cut-to-length products are

included. The merchandise is currently classified under Harmonized Tariff Schedule of the United States (HTSUS) item numbers 7409.21.00 and 7409.29.00. Although the HTSUS item numbers are provided for convenience and customs purposes, the Department's written description of the scope of this order remains dispositive.

Rescission of Antidumping Administrative Review

19 CFR 351.213(d)(1) of the Department's regulations provides that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws at a later date if the Department determines it is reasonable to extend the time limit for withdrawing the request. Wieland-Werke AG withdrew its request for review within 90 days of April 27, 2010, the date of publication of notice of initiation of the requested review.

Assessment Instructions

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the company for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or

conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: August 2, 2010.

Edward C. Yang,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
