

and explain the basis for your comments. Include sufficient information with your comments to allow us to authenticate any scientific or commercial data you include.

The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) Those that include citations to, and analyses of, the applicable laws and regulations. We will not consider or include in our administrative record comments we receive after the close of the comment period (see DATES) or comments delivered to an address other than those listed above (see ADDRESSES).

#### B. May I Review Comments Submitted by Others?

Comments, including names and street addresses of respondents, will be available for public review at the address listed under ADDRESSES. The public may review documents and other information applicants have sent in support of the application unless our allowing viewing would violate the Privacy Act or Freedom of Information Act. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

#### II. Background

To help us carry out our conservation responsibilities for affected species, the Endangered Species Act of 1973, section 10(a)(1)(A), as amended (16 U.S.C. 1531 *et seq.*), and our regulations in the Code of Federal Regulations (CFR) at 50 CFR 17, along with the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*), [Doc regulations in the Code of Federal Regulations (CFR) at 50 CFR 18 require that we invite public comment before final action on these permit applications. Under the MMPA, you may request a hearing on any MMPA application received. If you request a hearing, give specific reasons why a hearing would be appropriate. The holding of such a hearing is at the discretion of the Service Director.

#### III. Permit Applications

##### A. Endangered Species

**Applicant: Kyle Wildlife, Pipe Creek, TX; PRT-828861**

The applicant requests reissuance of their permit authorizing interstate and foreign commerce, export, and cull of excess male barasingha (*Cervus duvauceli*) from their captive herd for the purpose of enhancement of the survival of the species. This notice covers activities conducted under this permit for a period of 5 years.

##### Multiple Applicants

The following applicants each request a permit to import the sport-hunted trophy of one male bontebok (*Damaliscus pygargus pygargus*) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

**Applicant: James Hubbard, Alto, TX; PRT-08600A**

**Applicant: Robert Wegner, Sparks, NV; PRT-03156A**

##### B. Endangered Marine Mammals and Marine Mammals

**Applicant: Seattle Aquarium, Seattle, WA; PRT-10236A**

The applicant requests a permit to import biological samples from northern sea otters (*Enhydra lutris kenyoni*) in Canada for the purpose of scientific research. This notification covers activities to be conducted by the applicant over a 1-year period.

**Applicant: U.S. Geological Survey, Alaska Science Center, Anchorage, AK; PRT-690038**

The applicant requests an amendment to the permit to increase in the number of takes of polar bears (*Ursus maritimus*) and to conduct low-level aerial surveys for the purpose of scientific research. This notification covers activities to be conducted by the applicant over the remainder of the 5-year period for which the permit would be valid.

Concurrent with publishing this notice in the **Federal Register**, we are forwarding copies of the above applications to the Marine Mammal Commission and the Committee of Scientific Advisors for their review.
