[Docket No.: 100730316-0318-02]

Extension of the Award Period for Certain Minority Business Enterprise Centers

AGENCY: Minority Business Development Agency, Commerce.

ACTION: Notice.

SUMMARY: The Minority Business Development Agency (MBDA) publishes this notice of a funded extension of up to nine months, on a non-competitive

basis, of the award periods for those Minority Business Enterprise Centers (MBECs) identified in this notice. This action is necessary to allow for continued program delivery by the incumbent MBEC operators while MBDA completes the development of a new minority business development grant program, solicits competitive applications and processes new awards. **DATES:** The extension and related funding, if approved, will commence at the end of the current award period and will continue for a period not to exceed nine months.

FOR FURTHER INFORMATION CONTACT: Mr. Efrain Gonzalez, Chief, Office of Business Development, Minority Business Development Agency, 1401 Constitution Avenue, NW., Room 5075, Washington, DC 20230. Mr. Gonzalez may be reached by telephone at (202) 482-1940 and by e-mail at egonzalez@mbda.gov.

SUPPLEMENTARY INFORMATION: Pursuant to Executive Order 11625, the MBEC

Program provides standardized business assistance and development services directly to eligible minority-owned businesses. The MBEC Program is a key component of MBDA's overall business development assistance program; it promotes the growth and competitiveness of minority business enterprises, and further incorporates an entrepreneurial approach to the delivery of client services. This strategy expands the reach and service delivery of the MBEC Program by requiring project operators to develop and build upon strategic alliances with public and private sector partners as a means of serving eligible businesses within each MBEC's applicable geographical service area.

MBDA amends its prior competitive solicitations under the MBEC Program, as referenced in the below table, to provide funding extensions of up to nine months, on a non-competitive basis, to the award period for the following MBEC projects:

Award extensions and their additional funding described herein will be made at the sole discretion of MBDA and the Department of Commerce using the following evaluation criteria: (1) The MBEC's overall program performance rating during the 2009 program year; (2) the availability of appropriated funds; and (3) MBDA's and the Department of Commerce's priorities. MBDA will review each of the MBEC's overall performance ratings as evaluated through the standardized performance reports and assessments required under the MBEC Program to determine which projects will be offered an extension. MBDA will prioritize those MBEC awards meeting the above criteria that also have current award periods scheduled to end on or before January 31, 2010. In addition, although MBDA is allowing the award period for all of the above-referenced MBEC projects to be extended, it is possible that not all projects will be offered an extension and that some or all awards will be extended for less than a nine-month period.

A total of approximately \$1.1 million in FY 2010 funds is available under the Consolidated Appropriations Act, 2010, Public Law 111-117, to fund award extensions for the MBEC projects referenced in this notice. MBDA also anticipates that additional appropriated funds will be available in FY 2011 to fund award extensions for those MBEC projects not receiving extensions during FY 2010. In no event will MBDA or the Department of Commerce be responsible for any costs incurred outside of the current award period by the incumbent operators of the MBEC projects affected by this notice if the MBEC Program fails to receive funding, or if an award extension is not made because of other MBDA or Department of Commerce priorities. Publication of this announcement does not obligate MBDA or the Department of Commerce to award any extensions or to obligate any available funds.

Hot-Rolled Flat-Rolled Carbon-Quality Steel Products from Brazil and Japan: Final Results of Expedited Sunset Reviews of the Antidumping Duty Orders

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On April 1, 2010, the Department of Commerce (the Department) initiated sunset reviews of the antidumping duty orders on hot-rolled flat-rolled carbon-quality steel products from Brazil and Japan, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). The Department has conducted expedited (120-day) sunset reviews for both orders pursuant to 19 CFR 351.218(e)(1)(ii)(C)(2). As a result of these sunset reviews, the Department finds that revocation of the antidumping duty orders would be likely to lead to continuation or recurrence of dumping.
