#### Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The Petitioners' request was submitted within the 90-day period, and thus, is timely. Because the Petitioners' withdrawal of requests for review is timely and because no other party requested a review of the aforementioned companies, in accordance with 19 CFR 351.213(d)(1), we are partially rescinding this review with respect to the above listed companies.

#### Assessment Rates

At this time the Department cannot order liquidation for the above companies because they remain part of the PRC entity and their respective entries may be under review in the ongoing administrative review. The Department intends to issue assessment instructions for the PRC entity, which will cover any entries by the above companies, 15 days after publication of the final results of the ongoing administrative review.

#### Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested.

Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

#### **SUPPLEMENTARY INFORMATION:**

##### **Summary of Information Collection**

The primary objective of the information collection is to determine that DoDEA has all the information it requires to make available a quality education, from prekindergarten through grade 12, for the eligible dependents of the Department of Defense (DoD) military and civilian personnel on official assignments. The DoDEA Form 600 secures data about each sponsor who enrolls a child in a DoDEA school to determine the child's eligibility for enrollment. Eligibility for enrollment depends on whether the sponsor is a member of the Armed Forces or a civilian employee of the DoD, and which component thereof (Armed Forces or DoD) he or she is a member; or is an employee of another Federal Agency; or is a DoD contractor; or whether the sponsor is a U.S. citizen or a foreign national; and whether the sponsor is assigned overseas or to an military installation in the U.S. Eligibility also depends on whether the student is a dependent of a member of the Armed Forces or of the Federal Government who is authorized Federally funded transportation to an overseas assignment, or is authorized residence on a domestic U.S. military installation. The DoDEA Form 600 also secures information about each enrolled student to ensure that DoDEA makes available the appropriate classrooms, staffing, and supportive services. The data collected on the DoDEA Form 600, "DoDEA Student Registration," is covered by the DoDEA System of Records Notice DoDEA 26 available at: <http://privacy.defense.gov/notices/osd/DODEA26.shtml>, "Department of

Defense Education Activity Dependent Children's School Program Files." The paper forms and electronic data systems containing the sponsor and dependent personally identifying information are secured in accordance with the requirements of Federal law and implementing DoD regulations.
