

or on behalf of, or imported by or on behalf of the respondents, including Vizio and AmTran, or any of their affiliated companies, parents, subsidiaries, or other related business entities, or any of their successors or assigns; and (2) cease and desist orders directed to several respondents, including Vizio.

On August 14, 2009, Funai filed a complaint, asserting that certain respondents, including and Suzhou Raken Technology, Ltd. ("Suzhou"), have violated the Commission's limited exclusion order and cease and desist orders and seeking enforcement under Commission Rule 210.75 (19 CFR 210.75) and temporary emergency action under Commission Rule 210.77 (19 CFR 210.77). Suzhou is a joint venture company established in September 2009 by AmTran and LG Display Co., Ltd. Funai included Suzhou in its enforcement complaint pursuant to the provisions in the limited exclusion order that cover "affiliated companies, parents, subsidiaries, or other related business entities" and the provisions in the Cease and Desist orders that applies to "controlled (whether by stock ownership or otherwise) and majority owned business entities engaging in [prohibited conduct], for, with, or otherwise on behalf of" a named Respondent. Funai accused Suzhou of selling infringing digital televisions sold under at least the brand names Vizio® and Gallevia® in China and then importing them into the United States.

On May 25, 2010, Funai and Vizio, AmTran, and Suzhou (collectively "the Vizio Respondents") filed a joint motion to terminate the investigation and the enforcement proceeding as to the Vizio Respondents based on a settlement agreement. On May 28, 2010, the ALJ issued an ID granting the joint motion. On June 18, 2010, the Commission determined not to review the ID.

On June 29, 2010, Funai and the Vizio Respondents filed a joint motion for rescission of the remedial orders against Vizio and AmTran pursuant to the settlement agreement. On July 7, 2010, the Commission investigative attorney filed a response supporting the motion.

Having reviewed the parties' submissions, the Commission has determined that the settlement agreement satisfies the requirement of Commission Rule 210.76 (a)(1) (19 CFR 210.76(a)(1)) that there be changed conditions of fact or law. The Commission therefore has issued an order rescinding the limited exclusion order and cease and desist orders previously issued in this investigation with respect to Vizio and AmTran.

The authority for the Commission's determination is contained in Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.76(a)(1) of the Commission's Rules of Practice and Procedure (19 CFR 210.76(a)(1)).

By order of the Commission.

### Woodland Mills Corporation, Mill Spring, NC; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated July 22, 2010, petitioners requested administrative

reconsideration of the negative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) applicable to workers and former workers of the subject firm. The determination was issued on June 24, 2010. The Notice of Determination was published in the **Federal Register** on July 7, 2010 (75 FR 39049).

Workers are engaged in employment related to the production of spun yarn. The initial determination was based on the findings that worker separations are not attributable to increased imports or a shift/acquisition by the workers' firm to a foreign country.

In the request for reconsideration, the petitioner provided additional information pertaining to subject firm operations and an alleged shift in production abroad.

The Department has carefully reviewed the request for reconsideration and the existing record, and has determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974, as amended.

#### Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 4th day of August, 2010.
