ELECTION ASSISTANCE COMMISSION

11 CFR Parts 9405, 9407, 9409, 9410, 9420, and 9428

Change of Address

AGENCY: United States Election Assistance Commission (EAC).

ACTION: Final rule; technical amendment.

SUMMARY: The U.S. Election Assistance Commission (EAC) is amending its regulations to reflect a change of address for its headquarters. This technical amendment is a nomenclature change that updates and corrects the address for contacting and submitting requests to EAC headquarters.

ADDRESSES: 1201 New York Avenue, NW., Suite 300, Washington, DC 20005.

SUPPLEMENTARY INFORMATION: On March 22, 2010, EAC’s Headquarters relocated from 1225 New York Ave, NW., Suite 1100, Washington, DC 20005 to 1201 New York Ave, NW., Suite 300, Washington, DC 20005. This address will appear as EAC’s official agency address and serve as the reception point for agency visitors. Telephone numbers for EAC employees have not changed.

I. Statutory Authority

This action is taken under EAC’s authority, at 5 U.S.C. 552, to publish regulations in the Federal Register. Under the Administrative Procedure Act, at 5 U.S.C. 553(b)(3)(B), statutory procedures for agency rulemaking do not apply “when the agency for good cause finds (and incorporates the finding and a brief statement of reasons therefore in the rules issued) that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest.” EAC finds that such notice and public procedure are impracticable, unnecessary, or contrary to the public interest, on the grounds that: (1) These amendments are technical and non-substantive; and (2) the public benefits from timely notification of a change in the official agency address, and further delay is unnecessary and contrary to the public interest. Similarly, because this final rule makes no substantive changes and merely reflects a change of address in existing regulations, this final rule is not subject to the effective date limitation of 5 U.S.C. 553(d).

II. Regulatory Procedures

A. Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), EAC has determined that this rule would not have a significant economic impact on a substantial number of small entities. The regulation affects only the U.S. Election Assistance Commission. This rule does not require a general notice of proposed rulemaking and, therefore, is exempt from the requirements of the Regulatory Flexibility Act.

B. Collection of Information

This regulation contains no new information collection requirements subject to review by the Office of Management and Budget under the
