SUPPLEMENTARY INFORMATION:
I. Background
In the Federal Register of June 17, 2010 (75 FR 34463), FDA published a notice announcing a public meeting on July 19 and 20, 2010, and the opening of a public docket to seek input and comments from interested stakeholders to discuss the agency’s oversight of LDTs. Interested persons were originally given until August 15, 2010, to comment on information.

II. Request for Comments
Following publication of the June 17, 2010, notice, FDA received a request to allow interested persons additional time to comment. The requester asserted that the initial time period was insufficient to respond fully to FDA’s specific requests for comments and to allow potential respondents to thoroughly evaluate and address pertinent issues.

III. How to Submit Comments
Interested persons may submit to the Division of Dockets Management (see ADDRESSES) either electronic or written comments regarding this document. It is only necessary to send one set of comments. It is no longer necessary to send two copies of mailed comments. Identify comments with the docket number found in brackets in the heading of this document. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.
