BILLING CODE 4410-15-P

DEPARTMENT OF LABOR

Agency Information Collection Activities: Extension of a Currently Approved Information Collection With Non-Substantive Changes; Comment Request

AGENCY: Employment and Training Administration.

ACTION: 60-day notice of information collection under review: Form ETA-750, Application for Alien Employment Certification; OMB Control No. 1205-0015.

SUMMARY: The Department of Labor (Department), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995. 44 U.S.C. 3506(c)(2)(A). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training Administration is soliciting comments concerning Form ETA 750 *Application for Alien Employment Certification*. A copy of the proposed information collection request can be obtained by contacting the office listed below in the addressee section of this notice.

DATES: Written comments must be submitted to the office listed in the

addressee section below on or before October 19, 2010.

ADDRESSES: William L. Carlson, Administrator, Office of Foreign Labor Certification, U.S. Department of Labor, Room C4312, 200 Constitution Ave., NW., Washington, DC 20210; by phone at (202) 693-3010 (this is not a toll-free number); by fax at (202) 693-2768; or by e-mail at ETA.OFLC.Forms@dol.gov subject line: Form ETA 750.

SUPPLEMENTARY INFORMATION:

A. Background: The information collection is required by section 212(a)(5)(A)(iii) and section 214(c) of the Immigration and Nationality Act (INA). 8 U.S.C. 1182(a)(5)(A)(iii) and 1184(c) and 8 CFR 204.5(k)(4)(ii). The INA mandates the Secretary of Labor to certify that any alien seeking to enter the United States (U.S.) for the purpose of performing skilled or unskilled labor is not adversely affecting wages and working conditions of U.S. workers similarly employed and that there are not sufficient U.S. workers able, willing, and qualified to perform such skilled or unskilled labor. Many foreign professional athletes must qualify as skilled labor to gain temporary or permanent admission into the U.S. The Form ETA-750 is used to certify their admissibility. Part B of Form ETA-750 is also required by the Department of Homeland Security for aliens applying for the National Interest Waiver of the job offer requirement.

B. Review Focus: The Department is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

C. Current Actions: In order to meet its statutory responsibilities under the INA, the Department needs to extend an existing collection of information pertaining to employers seeking to

import foreign labor. The form used to collect the information is utilized not only by the Department, but also by other federal agencies to meet the requirements of the INA. The Department uses the information collected in its temporary and permanent certification programs for the employment of alien professional athletes. The Department of Homeland Security, U.S. Citizenship and Immigration Services, utilizes the form for its National Interest Waiver program for employment-based immigration.

DEPARTMENT OF LABOR

Comment Request for Information Collection for OMB Control No. 1205-0035, Job Corps Placement and Assistance Record, Extension With Revisions

AGENCY: Employment and Training Administration.

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and federal agencies an opportunity to

comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training Administration is soliciting comments concerning the collection of data about Job Corps Placement and Assistance Record [OMB Control No. 1205-0035, expires 09/30/2010]: ETA 678 form, Job Corps Placement and Assistance Record. ETA form 678 currently captures information about a student's training and subsequent placement in a job, higher education or the military, as well as the name of the placement provider agency. It is used to evaluate overall program effectiveness. This form is critical to the program's evaluation process. It is the only form which documents a student's post-center status. This form is completed by either a Job Corps center records staff or a career transition specialist for each student.

Proposed change:

1. Change the form title from Job Corps Placement and Assistance Record to Job Corps Placement Record.

2. The form will now capture e-mail, fax number, and Web site addresses.

3. Change Student's Vocational Training to Student's Career Technical Training (the acronym CTT will appear on the actual form); change apprenticeship to Registered Apprenticeship; add GED; Change Center ID to Center Code; change Placers ID to Career Transition Service ID (the acronym CTS will appear on the actual form); change Occupational Information Net (ONET) code to TAR (training achievement record) code; add TPA (training program area) to align with the CTT program changes; and add a Job Training Match (JTM) verification entry for (ONET) Standard Occupational Classification (SOC) codes 41-2022.00 and 43-5081.01 to add greater clarification.

4. Add information on employer benefits: 1. Does the job offer benefits? Add verification of employment or education; a drop down selection menu will be added to the form to capture pay stub, 1099, or transcript.

5. Delete section heading: Non-Placer A. Was Student Self Placed?

6. Add section heading: Placement Upgrade? Y or N to capture improvements to initial placements and

to avoid the appearance of double placements.

A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed below in the addressee section of this notice.

DATES: Written comments must be submitted to the office listed in the addressee's section below on or before October 19, 2010.

ADDRESSEE: Submit written comments to Rachel Floyd-Nelson, Room N4456, Office of Job Corps, 200 Constitution Avenue NW., Washington, DC 20210. Telephone number: 202-693-3120 (this is not a toll-free number). Fax: 202-693-2767. E-mail: floyd-nelson.rachel@dol.gov.

SUPPLEMENTARY INFORMATION:

I. Background: Job Corps is an intensive, residential training program for at-risk youth age 16 through 24 to address multiple barriers to employment faced by youth throughout the United States. Job Corps is authorized by Title I, Subtitle C, of the Workforce Investment Act (WIA) of 1998. The program is principally carried out through a nationwide network of 123 Job Corps centers. The centers are located at facilities either owned or leased by the Federal Government. The Department has a direct role in the operation of Job Corps, and does not serve as a pass-through agency for this program. It is the Department's responsibility to establish Job Corps centers and to select operators for them. Of the 123 current centers, 28 are operated by the Department of Agriculture through an interagency agreement. These centers are located on Federal lands. The remaining 95 centers are managed and operated by large and small corporations and nonprofit organizations selected by the Department in accordance with the Federal Acquisition Regulations, and in most cases through a competitive procurement process. Many of the current contractors manage and operate more than one center.
