apply for ATAA. The Department has
determined in this case that the group
eligibility requirements of Section 246
have been met.

A significant number of workers at the
firm are age 50 or over and possess
skills that are not easily transferable.
Competitive conditions within the
industry are adverse.

Conclusion

After careful review of the
information obtained during the remand
investigation, I determine that increased
importation of articles like or directly
competitive with doors and/or windows
produced by the subject firm
contributed to the total separation of a
significant number or proportion of
workers at the subject firm. In
accordance with the provisions of the
Act, I make the following certification:

All workers of Weather Shield
Manufacturing, Inc., Corporate Office,
Medford, Wisconsin, who became totally or
partially separated from employment on or
after December 17, 2007, through two years
from the issuance of this revised
determination, are eligible to apply for Trade
Adjustment Assistance under Section 223 of
the Trade Act of 1974, and are eligible to
apply for alternative trade adjustment
assistance under Section 246 of the Trade Act
of 1974.

Signed at Washington, DC, this 9th day of
