**Proposed Information Collection Activity; Comment Request**

*Proposed Projects:*

*Title:* Projects of National

Significance—Family Support 360.

*OMB No.:* New Collection.

*Description:* The Administration on Developmental Disabilities (ADD), part of the U.S. Department of Health and Human Services (HHS), Administration for Children and Families (ACF), is funding a major Project of National

Significance called Family Support 360 (FS 360). As with any program of Federal assistance to the States, it is in the public interest to determine the extent to which it has the desired impacts. To do this job with scientific rigor, it will be necessary to collect high quality survey data from the participants in the 17 funded programs across the nation.

ADD has already designed the instruments, methodologies, procedures, and analytical techniques for this task. Moreover, they have been pilot tested in 11 States. The tools and techniques were submitted for review, and were approved, by Institutional Review Boards for the Protection of Human Subjects (IRB) in those States in which IRB approval was necessary. The tools and techniques were repeatedly revised and improved, then applied successfully, and now they are ready to apply across the nation as soon as Office of Management and Budget (OMB) approval is received.

These instruments and methods are all aimed to answer the elementary scientific outcome questions: Are the participants in the FS 360 programs “better off” because of their participation? If so, how much, in what way(s), and at what public cost?

This information will inform public policy regarding the best methods to deliver important supports to families of people with developmental disabilities.

*Respondents:* The respondents are the families of and individuals with developmental disabilities who participate in the ADD Family Supports 360 grant programs at 17 sites across the nation. Ten of the sites are focused on military families, and the other seven are focused on civilian families. Each year will consist of a pre and post assessment. For each year we project 680 participating families. Of them we estimate interviews will be completed with 510 or 75 percent (some families may not give informed consent or may miss the appointment for interviews).

**ANNUAL BURDEN ESTIMATES**

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
The survey instrument is called the Impact Assessment for Family Support 360 Participants. It does not have a common acronym or ACF report number. It is a very brief two page protocol derived from twenty years of quality of life research in the developmental disabilities field .....	680	1	1.50	1,020

Estimated Total Annual Burden Hours: 1,020

In compliance with the requirements of Section 506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above. **Agency Information Collection Activities: Submission for OMB Review; Comment Request**

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information

collection requests under review by the Office of Management and Budget (OMB), in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, e-mail [paperwork@hrsa.gov](mailto:paperwork@hrsa.gov) or call the HRSA Reports Clearance Office on (301) 443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

**Proposed Project: The National Health Service Corps Loan Repayment Program (OMB No. 0915-0127)—Extension**

The National Health Service Corps (NHSC) Loan Repayment Program (LRP) was established to assure an adequate supply of trained primary care health care professionals to provide services in the neediest Health Professional Shortage Areas (HPSAs) of the United States. Under this program, the Department of Health and Human Services agrees to repay the educational loans of the primary care health

professionals. In return, the health professionals agree to serve for a specified period of time in a federally designated HPSA approved by the Secretary for LRP participants. The NHSC LRP forms collect information that is needed for selecting participants and repaying qualifying loans for education. The LRP forms include the

following: The NHSC LRP Application, the Loan Information and Verification form, the Employment Verification and Community Site Information form, the Payment Information Form, the Authorization to Release Information form and the Self-Certification Form. Once health professionals complete NHSC service basic contact information

such as name, phone number, e-mail address, State (of residence and/or employment), discipline and specialty will be collected and maintained in a database to enable HRSA to communicate with NHSC alumni.

The annual estimate of burden is as follows:

Instrument	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
NHSC LRP Application .....	5,175	1	5,175	.30	1,553
Payment Information Form .....	5,175	1	5,175	.20	1,035

*Title:* Mentoring Children of Prisoners Data Collection Process (MCPDCP).  
*OMB No.:* 0970-0266.

*Description:* Information from the Mentoring Children of Prisoners Data Collection Process is necessary for the Federal agency's reporting and planning under the Government Performance and Results Act and to support evaluation requirements in the statute. The data will be used for accountability

monitoring, management improvement, and research. Acquisition of the data ensures that the Federal agency knows if Grantees are meeting the targets (number of children being mentored) recorded in the grant application as required by the statute, and that mentoring activities are faithful to characteristics established by research as essential to success. The data also support grantees as they carry out ongoing responsibilities, maintain program service and manage information for internal uses.

*Respondents:* Recipients of grants from the HHS/ACF/Family and Youth Services Bureau to operate programs to provide mentoring for children of prisoners.
