BlueScope Buildings North America Including Workers Whose Unemployment Insurance (UI) Wages Are Reported Through Buttler Manufacturing Company, Laurinburg, NC; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on May 18, 2010, applicable to workers of BlueScope Buildings North America, Laurinburg, North Carolina. The notice was published in the **Federal Register** on June 7, 2010 (75 FR 32224).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in activities related to prefabricated metal building components.

Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by a shift in the production of prefabricated metal building components to Mexico.

All workers of BlueScope Buildings North America, including workers whose unemployment insurance (UI) wages are reported through Buttler Manufacturing Company, Laurinburg, North Carolina, who became totally or partially separated from employment on or after March 19, 2009, through May 18, 2012, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.
