the request within 90 days of the date of publication of notice of initiation of the requested review. Petitioners’ request was submitted within the 90-day period, and thus, is timely. Because Petitioners’ withdrawal of requests for review is timely and because no other party requested a review of the aforementioned companies, in accordance with 19 CFR 351.213(d)(1), we are partially rescinding this review with respect to the above listed companies.

Assessment Rates
At this time, the Department cannot order liquidation for the above companies because they remain part of the PRC-wide entity and their respective entries may be under review in the ongoing administrative review. The Department intends to issue assessment instructions for the PRC-wide entity, which will cover any entries by the above companies, 15 days after publication of the final results of the ongoing administrative review.

Notification to Importers
This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders
This notice also serves as a reminder to parties subject to administrative protective orders (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: August 17, 2010.
Edward C. Yang, Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
