

(38 acres) Brunswick Commerce Center at the intersection of Route 303 and I-71, Brunswick (Medina County); *Site 26*: (51 acres) Portside Corporate Park, located at 2200 Akron-Medina Road, Sharon Township (Medina County); *Site 27*: (47 acres) Wadsworth Corporate Park, Wadsworth (Medina County); and, *Site 28*: (141 acres) Route 30 Industrial Park, State Route 30, Wooster (Wayne County).

The grantee's proposed service area under the ASF would be Ashtabula, Trumbull, Mahoning, Columbiana, Portage, Summit, Stark, Medina, Wayne and Richland Counties, Ohio, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is adjacent to the Cleveland Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize and expand its existing zone project to include existing Sites 1, 3-6, and 8-27 as "magnet" sites, as well as to remove Sites 2, 7 and 28. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. The applicant has also requested that Site 1 be expanded to include an additional 193 acres. In addition, the applicant is requesting approval of the following new "magnet" site: *Proposed Site 29*: (71 acres) Albrecht Inc., 2700 and 2850 Gilchrist Road, Akron (Summit County). Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would have no impact on FTZ 181's authorized subzone.

In accordance with the Board's regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 22, 2010. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to November 8, 2010.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington,

DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via <http://www.trade.gov/ftz>. For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482-0473.

Dated: August 17 2010.

Andrew McGilvray,

Executive Secretary.

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws

¹ See Memo to the File from Catherine Bertrand regarding Telephone Call to Counsel for Petitioners (August 12, 2010).

² See *Certain Activated Carbon from the People's Republic of China: Notice of Partial Rescission of Antidumping Duty Administrative Review*, 75 FR 48644 (August 11, 2010).

the request within 90 days of the date of publication of notice of initiation of the requested review. Petitioners' request was submitted within the 90-day period, and thus, is timely. Because Petitioners' withdrawal of requests for review is timely and because no other party requested a review of the aforementioned companies, in accordance with 19 CFR 351.213(d)(1), we are partially rescinding this review with respect to the above listed companies.

Assessment Rates

At this time, the Department cannot order liquidation for the above companies because they remain part of the PRC-wide entity and their respective entries may be under review in the ongoing administrative review. The Department intends to issue assessment instructions for the PRC-wide entity, which will cover any entries by the above companies, 15 days after publication of the final results of the ongoing administrative review.

Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).
